III. Registration Instructions

The Center for Medicare Management of CMS is coordinating meeting registration. While there is no registration fee, all individuals must register to attend due to limited seating. As specified in the **DATES** section of this notice, individuals who wish to attend the meeting but do not plan to present testimony must register by September 10, 2007. Individuals who would like both to attend and to present testimony on issues relating to the EMTALA TAG must register by August 27, 2007 and must state specifically in their registration request that they wish to present testimony for EMTALA TAG consideration. A copy of the presenter's written testimony must be received by CMS at the address specified in the **ADDRESSES** section of this notice by September 3, 2007.

You may register by sending an e-mail to Marianne Myers at Marianne.Myers@cms.hhs.gov, by fax to the attention of Marianne Myers at (410) 786-0681, or by telephone at (410) 786-5962. Since this meeting will be held in a Federal government building, Federal security measures are applicable. As noted above, in planning your arrival time, we recommend allowing additional time to clear security. In order to gain access to the building, participants must bring a government-issued photo identification such as a driver's license or a passport and a copy of your registration information for the

meeting. Access may be denied to persons without proper identification.

All persons entering the building must pass through a metal detector. In addition, all items brought to CMS, whether personal or for the purpose of demonstration or to support a presentation, are subject to inspection. We cannot assume responsibility for coordinating the receipt, transfer, transport, storage, set-up, safety, or timely arrival of any personal belongings or items used for demonstration or to support a presentation.

V. Selection of New EMTALA TAG Member

In the March 15, 2005 **Federal Register** (70 FR 12691), we announced the EMTALA TAG membership. One of those original members, a hospital representative, is unable to complete his term of service. In selecting a replacement, the TAG must maintain the member composition described in section 945(b) of the MMA. We note that section 945(b)(1) of the MMA specifies that: "4 [members of the TAG] shall be representatives of hospitals." For this reason and to ensure that the concerns of hospitals are appropriately considered during TAG deliberations, another hospital representative has been selected to serve as a member of the TAG. The new member is Rachel Seifert of Community Health Systems in Franklin, Tennessee.

Authority: Section 945 of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA).

Dated: August 16, 2007.

SUPPLEMENTARY INFORMATION:

I. Meeting Topic

On December 14, 1998, we published a notice in the **Federal Register** (63 FR 68780) to describe the Medicare Coverage Advisory Committee (MCAC), which provides advice and recommendations to CMS about clinical issues. The MCAC was subsequently rechartered as the Medicare Evidence Development and Coverage Advisory Committee (MedCAC).

This notice announces the October 22, 2007 public meeting of the Committee. This meeting is to assist CMS in developing priorities for evidence development for issues of major importance to the Medicare program and the Medicare population to provide a framework for the scientific community advancement of research projects that concern Medicare beneficiaries. Certain disease processes account for a large percentage of services provided to our beneficiaries and specific treatments and healthcare delivery processes have a great impact on beneficiary outcomes. The end product of the MedCAC is a priority list of research topics with the most potential impact on Medicare and Medicare beneficiaries to contribute to the body of medical evidence specific to the Medicare populations. Background information about this topic, including panel materials, is available at <http://www.cms.gov/coverage>.

II. Meeting Procedures

This meeting is open to the public. The Committee will hear oral presentations from the public for approximately 30 minutes. The Committee may limit the number and duration of oral presentations to the time available. If you wish to make formal presentations, you must do the following:

consider the questions we have posed to the Committee and focus on the issues specific to the topic. The questions will be available on the following Web site: http://www.cms.hhs.gov/FACA/02_aspTopOfPage.

We require that you declare at the meeting whether you have any financial involvement with manufacturers of any items or services being discussed (or with their competitors).

After the public and CMS presentations, the Committee will deliberate openly on the topic. Interested persons may observe the deliberations, but the Committee will not hear further comments during this time except at the request of the chairperson. The Committee will also allow a 15 minute unscheduled open public session for any attendee to address issues specific to the topic. At the conclusion of the day, the members will vote and the Committee will make its recommendation.
