Honorable Casiano Shoniber
Secretary of Education
FSM National Government
P.O. Box PS 87
Palikir, Pohnpei State 96941

Dear Secretary Shoniber:

This is to inform you that the Federated States of Micronesia's (FSM) application for Federal Fiscal Year (FFY) 2008 funds, under Part B of the Individuals with Disabilities Education Act (Part B), can be approved. Our approval is based on review of your application submitted by the FSM Department of Education to the U.S. Department of Education, Office of Special Education Programs (OSEP), on May 29, 2008, and amended on June 11, 2008, including assurances provided in Section II which are incorporated by reference to this letter as noted in Enclosure A.

Enclosed is the grant award for funds currently available under the Department of Education Appropriations Act, 2008 for the Part B Section 611 (Grants to States) program. These funds are for use primarily in school year 2008-2009 and are available for obligation by States from July 1, 2008 through September 30, 2010.

Please note that as part of your application for FFY 2008, FSM has made an assurance, in 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. Any changes made by FSM, after OSEP approval, to information that is a part of FSM's application, must meet the public participation requirements in 34 CFR §300.165.

The amount shown in your award for the Section 611 program is only part of the total funds that will be awarded to you for FFY 2008. Of the \$10,947,511,571 appropriated for Section 611 in FFY 2008, \$4,091,067,571 is available for awards on July 1, 2008, and \$6,856,444,000 will be available on October 1, 2008.

Under the Section 611 formula, subject to certain maximum and minimum funding requirements, State allocations are based on the amount that each State received from FFY 1999 funds, the general population in the age range for which each State ensures a free appropriate public education (FAPE) to all children with disabilities, and the number of children living in poverty in the age range for which each State ensures FAPE to all children with disabilities.

Enclosure B provides a short description of how Section 611 funds were allocated and how those funds can be used. In addition, Table I in Enclosure B shows funding levels for distribution of Section 611 funds and the parameters for within-State allocations.

The enclosed grant award for FFY 2008 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part B.
