Penalty Calculation
For Self-Administered Individual Accounts
15-61-201, MCA

Taxpayer Information

Your name _____ Social Security Number _____

Account Information

Your medical care savings account number _____

Financial institution where your account is held _____

Address of your financial institution _____

If you have a medical care savings account, you have to file your Montana income tax return using Form 2 or Form 2M. All non-qualifying withdrawals from your self-administered medical care savings account (MSA) have to be included as income on Form 2, Schedule I, line 10, or Form 2M, line 26.

If you made withdrawals from a self-administered MSA that were not used to pay for your qualifying medical expenses, including withdrawals that you made on the last business day of the tax year, you will have to complete the worksheet below. Non-qualifying withdrawals, other than those made on the last business day of the tax year, are subject to a 10% penalty.

1. Enter the total from column E of your Montana Form MSA. This amount also has to be reported on Form 2, Schedule I, line 10, or Form 2M, line 26..... 1. _____
2. Enter withdrawals that you included in column E of your Form MSA that were made on the last business day in December 2007. 2. _____
3. Subtract the amount on line 2 from the amount on line 1 and enter the result. 3. _____
4. Multiply the amount on line 3 by 10% (0.10). **This is your penalty.** Enter this amount on Form 2, line 68 and write "MSA" in the space provided or Form 2M, line 59..... 4. _____

When you file your Montana income tax return electronically, you represent that you have retained all documents required as a tax record and that you will provide a copy to the department upon request.
