Notes: 1 = ENERGY STAR-qualified, 2 = FEMP-designated, 3 = WaterSense-labeled, 4 = Low Standby Power

Federal procurement requirements apply to all ENERGY STAR-qualified, WaterSense-labeled and FEMP-designated products. FEMP *Purchasing Specifications for Energy-Efficient Products* are available for all FEMP-designated products; and also for some, but not all, ENERGY STAR-qualified and WaterSense-labeled products. For more information, visit FEMP's Web site at <http://www1.eere.energy.gov/FEMP/procurement/>, the ENERGY STAR Web site at <http://energystar.gov/> or WaterSense Web site at <http://epa.gov/watersense>.
