

This information notice concerns an enforcement action against an individual taken in 1990. The NRC's policy is that enforcement actions will only be posted on the external web for the period of time the action is in effect for Orders or one year for Notice of Violations (NOVs). Most enforcement actions, regardless of age, are available to the public in the agency's ADAMS system. This information notice is available in ADAMS under accession number ML030300454.
