

**Department of Energy**  
Washington, DC 20585

April 12, 2005

MEMORANDUM TO: Dennis Kubicki, Manager  
EH Standards Management Program

FROM: Tony Eng, Director  
Office of Facility Authorization Bases 

SUBJECT: Volume 1 of the DOE STD-1120-XX, "Integration of  
Environment, Safety, and Health into Facility  
Disposition Activities"

Internal and External reviewing and comment processes for Volume 1 of the Standard (Attachment 1) has been completed. Comments and suggestions, including those from the Defense Nuclear Facilities Safety Board (DNFSB), concerning the standard were all satisfactorily resolved. Volume 1 of the standard is ready for issuing.

If you have any further questions, please contact my staff, Paul Wu, at 3-5632.
