# ***Ready for Reuse Determination***

*In recognition of the United States Army's efforts to investigate and, where necessary, remediate Finding of Suitability to Transfer (FOST) Areas I-IV (the "Property"), the Arkansas Department of Environmental Quality (ADEQ) and the United States Environmental Protection Agency (EPA) Region 6 together have determined that the Property is Ready for Reuse. As documented in the Ready for Reuse Determination Letter of February 25, 2004, the Ready for Reuse Determination is an acknowledgment that environmental conditions on the Property are protective of human health and the environment, subject to the environmental restrictions outlined in the Letter.*
