The Honorable Richard B. Cheney
President of the Senate
Washington, D.C. 20510

Dear Mr. President:

As you know, section 641 of Public Law 108-447, the Consolidated Appropriations Act, 2005, provides the annual reporting requirements for the *Buy American Act* and requires each Federal agency to submit a report to Congress on the amount of acquisitions made by the agency from entities that manufacture the articles, materials, or supplies outside of the United States in that fiscal year.

In compliance with this requirement, the National Labor Relations Board (NLRB) provides the following information for FY 2005:

- 1. Provide the dollar value of any articles, materials, or supplies purchased that were manufactured outside of the United States :**

Response: The NLRB made no purchases of any articles, materials, or supplies that were manufactured outside of the United States within the meaning of the Buy American Act.

- 2. Provide an itemized list of all waivers granted with respect to such articles, materials, or supplies under the Buy American Act (41 U.S.C. 10a et seq.);**

Response: In view of the NLRB's negative response to Question #1, no waivers were requested during FY 2005.

- 3. Provide a summary of the total procurement funds spent on goods manufactured in the United States versus funds spent on goods manufactured outside of the United States.**

Response: The NLRB spent \$2,073,000 on goods manufactured in the United States. As stated in our Response to Question #1, the NLRB spent no funds on goods manufactured outside of the United States within the meaning of the Buy American Act.

We will also make this information available for viewing by the public on the Agency's web site (www.nlr.gov). Please refer any questions concerning this information to Bill Snuggs, Budget Officer, on (202) 273-3970.

Respectfully submitted,
