

## **EFTPS EXPRESS ENROLLMENT FOR NEW BUSINESSES**

### **What is EFTPS Express Enrollment for New Businesses?**

- A. All businesses receiving a new EIN (Employer Identification Number) are pre-enrolled in the Electronic Federal Tax Payment System (EFTPS) enabling you to make all your federal tax payments electronically. EFTPS is a free service provided by the U.S. Department of the Treasury. More information is available at [www.eftps.gov](http://www.eftps.gov).

### **How does EFTPS work?**

- A. You can schedule your tax payments through EFTPS via Internet or phone at least one calendar day prior to the tax due date (by 8:00 p.m. ET). Based on your instructions, EFTPS initiates a debit against the bank account you indicated, sends the money to Treasury, and sends the tax payment information to IRS for updating your tax records. Business taxpayers can schedule a payment up to 120 days in advance of tax due date.

### **I don't have any federal tax obligations now, but I received this mailing.**

- A. You are still pre-enrolled in EFTPS. You should complete the activation of your enrollment so you will be ready to make payments through EFTPS when you do have tax obligations.

### **What happens if I don't activate my EFTPS Enrollment?**

- A. You will need to begin making tax payments using Federal Tax Deposit coupons (Form 8109). You must call the IRS at 1-800-829-4933 to order Coupons. Allow 5-6 weeks for delivery. We recommend you activate your enrollment in the event you are without FTD coupons when your tax obligation is due to avoid any penalties for late payment. FTD coupons cannot be downloaded via the Internet.

### **Can I still use FTD coupons?**

- A. You have the option to order FTD coupons as noted above. You can avoid waiting to receive the coupons via the mail and the trip to the bank by activating your EFTPS enrollment now. Your EFTPS payment history that is available via the Internet or phone will only reflect the EFTPS payments you make, not any payments made with a paper coupon.

### **What if I have not received my EFTPS PIN?**

- A. The EFTPS PIN package is mailed to your IRS address of record. (If less than 1 week since receiving your EIN) please wait, the PIN should arrive within 5 business days after receiving the EIN. If more than one week since receiving your EIN, call EFTPS Customer Service at 1-800-555-4477.

## How do I activate my EFTPS enrollment?
