July 27, 2009

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (February 17, 2009)) ("ARRA"), I, John W. Mitchell, hereby certify that the infrastructure investments listed below and funded with amounts appropriated by ARRA from Title VII, under the heading "State and Tribal Assistance Grants" to the Environmental Protection Agency, have received the full review and vetting required by law and that I accept responsibility that such investments are the appropriate use of taxpayer dollars. This certification will be posted on the Kansas Recovery website available to the public at <http://www.governor.ks.gov/recovery/default.htm> and linked to Recovery.com. I understand that the listed projects may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Municipality	KPWSLF Project #	Project Description	Estimated Project Cost	Estimated ARRA Awarded Funds	Estimated KPWSLF Awarded Funds
Emporia	2590	This project will rehabilitate and expand the existing water treatment plant to meet system demands.	\$1,820,000	\$800,800	\$1,019,200
Victoria	2612	This project will rehabilitate an existing pumpstation, install a standby generator, update telemetry system and replace deteriorated waterlines. This will result in reduced water loss and efficient pumping.	\$750,000	\$330,000	\$420,000
Jefferson Co. RWD # 13	2557	This project will replace waterlines to increase distribution system pressures to meet KDHE requirements, build new storage capacity to meet system demand, and install new telemetry controls.	\$2,360,113	\$1,038,450	\$1,321,663
