

OFFICE OF THE GOVERNOR

RICK PERRY  
GOVERNOR

February 18, 2009

The Honorable Barack Obama  
President of the United States  
The White House  
1600 Pennsylvania Avenue, NW  
Washington, D.C. 20500

Dear Mr. President:

I'm writing you today in response to stipulations set forth in H.R. 1, the \$787 billion stimulus package you signed into law yesterday. As you know, I have been vocal in my opposition to this legislation because I believe there are better ways to reinvigorate our economy and believe H.R. 1 will burden future generations with unprecedented levels of debt.

Throughout the years, Texas taxpayers have sent substantially more dollars to Washington than we receive on issues ranging from transportation to border security and hurricane relief. As I have said during the debate on H.R. 1, should Congress pass stimulus legislation using Texas tax dollars, I would work to ensure that our citizens receive their fair share.

On behalf of the people of Texas, please allow this letter to certify that we will accept the funds in H.R. 1 and use them to promote economic growth and create jobs in a fiscally responsible manner that is in the best interest of Texas taxpayers. I remain opposed to using these funds to expand existing government programs, burdening the state with ongoing expenditures long after the funding has dried up.

I continue to believe that the best way to stimulate the economy is the approach we are taking here in Texas. As a result of low taxes, controlled government spending and a predictable regulatory climate, nearly 80 percent of all jobs created last year in the United States were created in Texas; the vast majority of these were private sector jobs. Just last week, Texas was ranked the top exporting state in the nation for the seventh year in a row.

It was a pleasure meeting you in Philadelphia, and I appreciate your concern for the Texans displaced by Hurricane Ike. While we differ on solutions to the ongoing economic crisis facing our country, I believe we both share a desire to see our great nation endure as a beacon of freedom and economic vitality to the world.

Sincerely,

A large, handwritten signature in black ink that reads "Rick Perry".  
Rick Perry  
Governor
