## **Deadline for Transportation Enhancement funds application is March 27**

The North Dakota Department of Transportation (NDDOT) is now accepting applications for Director's Task Force Transportation Enhancement (TE) projects. The deadline for applying for this funding is March 27, 2009. All projects must be transportation related and fall into the three following categories: bikeway and pedestrian facilities, environmental and scenic, and historic. To qualify, projects must be designed to strengthen cultural, aesthetic, or environmental aspects of the transportation system.

These projects will be funded by the American Recovery and Reinvestment Act of 2009 (ARRA). Application instructions and additional information about the TE program can be obtained on our website <http://www.dot.nd.gov/divisions/localgov/transenhance.htm> or from the NDDOT's Local Government Division.

If you have questions, please contact Bennett Kubischta, NDDOT Program Coordinator at (701) 328-3555.
