**NDDOT seeks comments on 2009 STIP amendment for urban projects**

The North Dakota Department of Transportation (NDDOT) is seeking comments on an amendment to the 2009-2012 State Transportation Improvement Program (STIP) for inclusion of the following previously-unpublished urban, non – MPO Area projects in 2009. Urban is defined as cities with a population of more than 5,000, but not located in an MPO area. This list of projects will move forward if sufficient economic recovery funding becomes available.

MPOs serve cities with an urbanized area of 50,000 or more people. Projects in these areas were previously advertised by the local MPO.

Additional state, county and Metropolitan Planning Organization (MPO) projects are also being considered for 2009 construction if sufficient economic recovery funding becomes available. These projects were previously advertised under a separate amendment.

<u>Urban City Project</u>	<u>Total Cost</u>
Devils Lake, ND 19 from US 2 to ND 20 (Asphalt Portion only), Mill & Overlay	\$115,000.00
Devils Lake, ND 20 from US 2 to RP 104.66 (exception 3rd St NW to 6th St NE), Mill & Overlay	\$722,500.00
