

Parents, you may receive an e-mail notice when there is payment activity on your child support case.

- E-mail will be sent to obligors when payments are received.
- E-mail will be sent to obligees when payments are disbursed.

If you already have access to view your case on our secure website, simply logon to your case and set the indicator to receive e-mail notices. If you don't have access to your case online, you may request an authorization code now.
