(the annual gross receipts are based solely on the amount of FHWA/federally-assisted highway projects in North Dakota)

	Under $50,000	$50,000 to $100,000	$100,000 to $500,000	$500,000 to $1 mil	$1 mil to $5 mil	$5 mil to $10 mil	over $10 mil	over $15 mil	over $20 mil
2006									
2007									
2008									

Indicate Your Company's

Principal Business Activity Code
Description

On the reverse side is a listing of principal business activities and their associated codes. Using this list of activities and codes, determine from which activity your company derives the largest percentage of its annual gross receipts. If your company purchases raw materials and supplies them to a subcontractor to produce the finished product, but retains title to the product, your company is considered a manufacturer and must use one of the manufacturing codes.
