e -TRANSCRIPTS

Electronic Transcripts Are Secure, Fast & Free!

Obtaining and verifying your GED status has never been easier, faster, and more secure. E-Transcripts offer GED examinees complete control over their personal records by providing direct access through the internet. It takes just a few minutes to download and print a transcript for schools, employers, the military, etc. E-Transcripts are free of charge to examinees, so you can print as many copies as you want whenever you need them.
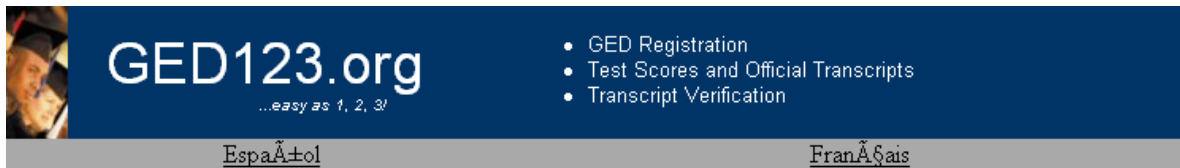

E-Transcripts are also easy for the person receiving it. In a few steps, the receiver can verify the authenticity of the transcript online, using a verification code printed on the E-Transcript. If the transcript matches the on-screen information, verification is complete. It's that simple.
