

## Avoid Phishing Scams

### HELPFUL TIPS

- ◆ Do not click on any links listed in an email message and do not open any attachments from untrusted sources
- ◆ Do not enter personal information in a pop-up screen
- ◆ If it appears to be a phishing email, simply delete it
- ◆ Enable/install a phishing filter on your web browser
- ◆ Do not respond to emails asking for personal information. Legitimate organizations will not ask you to provide personal information via email
