HCBS Waiver Review Individual Checklist - 2007

Directions: The review period is January 1, 2007 through December 31, 2007. Use the plan and other documentation that covered the majority of the 2007 calendar year to answer the questions. This may require reviewing information from the 2006 calendar year. For example, in the 2007 calendar year the Individual Support Plan (ISP) effective date was 10/1/2007, then use the 10/1/2006 ISP to complete the review. The 10/1/2006 ISP would have covered the majority of the 2007 calendar year. If you have questions regarding this checklist or the review contact the SPD Quality Assurance Coordinator at 503-945-6976.
