- The taxable wage base for unemployment insurance is **\$30,200**.

Oregon income tax withholding— Information circular

Information about Oregon income tax withholding is available on the internet at www.oregon.gov/DOR/BUS/withholding.shtml.

Employers of Oregon nonresidents

You must withhold Oregon income tax from all wages earned by nonresident employees for services performed in Oregon, unless their Oregon earnings for the year will be less than the standard deduction amount for their filing status. The Oregon standard deduction amounts for tax year 2007 are as follows:

| | |
|-------------------------------------------|---------|
| Single or married filing separately | \$1,825 |
| Head of household..... | \$2,940 |
| Married filing jointly | \$3,650 |
| Qualifying widow(er)..... | \$3,650 |

Nonresident employees with wages greater than their standard deduction amount are required to file an Oregon nonresident income tax return. Nonresident employees with Oregon wages less than their standard deduction still may request that you withhold tax; usually they have additional Oregon income from other sources.

IMPORTANT INFORMATION

Oregon Department of Revenue, Employment Department, and Department of Consumer and Business Services rules differ. *Please read all instructions carefully. If you have questions, please contact the appropriate agency* (see page 2).

Telephone: 503-378-2868

What is considered a filed return

While there are multiple tax and assessment programs represented on the Oregon Quarterly Tax Report, it is important to note the following filing requirements for state withholding, Tri-County Metropolitan Transportation District (TriMet), and Lane Transit District (LTD) tax programs that are administered by the Oregon Department of Revenue.

- Only columns filled in with numerical information will be considered a filed return for that program.
- If you have no payroll or hours worked during a quarter, enter a "0" in the boxes on lines 1, 5, 9, and 11 for each tax program to which you are subject.
- If you enter something other than a number in a specific tax column or leave a specific tax column blank, we will conclude you are communicating to us that you are not subject to that tax and that you are not filing a return for purposes of that tax.

Withholding on distribution of pensions or annuities

State withholding on distribution of pensions or annuities must be made with respect to any distribution for which federal income taxes are to be withheld or are required to be withheld under Section 3405 of the Internal Revenue Code.

You may be required to obtain a separate BIN for the pension/annuity account. Contact the Department of Revenue at 503-947-8091 for more information.

Employer new hire reporting program

All Oregon employers are required to report new and rehired employees to the Division of Child Support within 20 days of date of hire. For information on the law and the procedures for reporting, contact: Department of Justice

Employer New Hire Reporting Program
1495 Edgewater St NW
Salem OR 97304

Capitalize your reports

Extensive testing of our electronic processing equipment has shown that your reports are read **much more accurately** if you prepare them using capital letters rather than changing cases or using lower case. **Please** help us avoid processing errors and unnecessary notices to you by preparing your reports using **CAPITAL LETTERS ONLY!**

Tax tables

Effective January 1, 2007, the Oregon withholding tax tables were updated. The tables are available on the internet at www.oregon.gov/DOR. If you do not have internet access, you may call 503-945-8091.

Reporting hours may differ

The number of hours reported for UI tax on the Wage Detail Report (Form 132) will not necessarily equal the number of hours reported for the WBF assessment in box 9 on Form OQ (see pages 13–15 for more information).

Reporting subject wages

Total wages reported for UI and withholding could be different depending on the subjectivity requirements for each program (see pages 17–20 for more information).

Easy, free electronic filing

You can file your quarterly Oregon payroll tax report electronically on the internet, by e-mail, or on diskette. Or, if you have no payroll or subject hours to report, you can file by telephone (see page 9).

Filing for bankruptcy

If you file for bankruptcy, you need to notify **separately** each state agency that administers the payroll taxes and/or assessments to which you are subject. Despite combined reporting, each agency manages its own tax program.

Common pay agent

Oregon law does not allow Oregon combined payroll taxes to be reported by a common pay agent as defined in IRS Section 3504.

Oregon identification numbers

Your Oregon business identification number (BIN) is not the same as your registry number issued by the Oregon Secretary of State's Corporation Division. **If you do not know your BIN, contact the Department of Revenue at 503-945-8091 or 503-378-4988.**

The correct format for a BIN is NNNNNNNN-N (for example, 1234567-8).

It is important that you include your BIN at the top of all correspondence, returns, and payments that you file with the Department of Revenue, the Employment Department, and the Department of Consumer and Business Services.

Important: If the structure of your business has changed in the past year, you may need to obtain a new BIN. Contact the Department of Revenue at 503-945-8091 or 503-378-4988 for further information.

Updating a business address or telephone number

To update your business address and/or telephone number, please complete the "Change in Status Report" (150-211-157) or e-mail the information to payroll.help.dor@state.or.us.

Latest payroll tax information

Sign up for "Payroll Tax—News," a new e-mail list that allows subscribers to receive the latest payroll tax information such as interest rates, legislative issues, and return processing questions. Employers and other interested individuals can subscribe to the list to receive the latest information via e-mail at www.oregon.gov/DOR/BUS/payrolltaxnews.shtml.

Keep your records

WBF assessment-related payroll records must be kept for no less than the current year and three preceding years.

All other payroll records must be kept **at least** six years after filing the required reports.

Penalties for illegal tax rate manipulation

Under Oregon law, a person (employer) may not engage in or advise another person (employer) to engage in activity to transfer or acquire, or attempt to transfer or acquire, a trade or business or any portion of a trade or business solely or primarily for the purpose of obtaining a lower unemployment

insurance (UI) tax rate. If a person (employer) knowingly engages in such activity, the highest UI tax rate (currently 5.4 percent) will be assigned to that trade or business for the tax year in which the activity occurred and for the next three years. However, if the person (employer) is already subject to the highest tax rate for the year or if the amount of increase in the tax rate is less than 2 percent, an additional penalty tax rate of 2 percent will be added to the calculated tax rate. In addition, if a person (employer) advises another person (employer) to engage in this activity, they may be assessed a civil penalty not to exceed \$10,000. Criminal penalties for engaging in tax avoidance schemes may also be imposed.

Further information is available on the internet at www.oregon.gov/EMPLOY/TAX.

Independent contractor definition

Individuals who meet the statutory definition of an independent contractor are not employees and their compensation for services is not taxable wages. Beginning January 1, 2006, Oregon implemented a new definition of independent contractor for the Department of Revenue, Employment Department, Construction Contractors Board, and Landscape Contractors Board [see Oregon Revised Statute (ORS) 670.600]. More information concerning independent contractors is available on the internet at www.OregonIndependentContractors.com.

Small employers and withholding

Starting in 2006, the IRS implemented new rules, new processes, and a new form (Form 944) for designated small employers, allowing them to file and pay their federal employment tax returns annually instead of quarterly. Oregon does not have a similar program for state payroll tax reporting.

Unless they qualify as an agricultural or domestic employer under Oregon law, small employers are required to file their entire state payroll tax liability, using Form OQ (Oregon Quarterly Tax Report), on a quarterly basis with the Department of Revenue. Generally, payments for unemployment insurance tax, Workers' Benefit Fund assessment, TriMet transit tax, and Lane transit tax are due quarterly and should be paid when Form OQ is filed. But Oregon law does allow employers to make their state withholding payments no later than their federal payments.

For those employers instructed by the IRS to deposit annually, we ask you to voluntarily deposit

your Oregon withholding payment quarterly when you file your return. However, to waive late payment penalties and interest that may occur when you file your return quarterly, but deposit your state withholding payment annually, you must submit a request to the Department of Revenue with a copy of your IRS notification.

More information concerning small employer filing requirements is available on the internet at **www.oregon.gov/DOR**.

REQUIRED FORMS

If you file using paper, using the forms in this booklet ensures faster and more accurate processing. Failure to use the correct forms or format may result in a penalty (see page 12 for more information on penalties).

If you use a tax preparer, please check to see if the preparer needs this booklet to file your reports. Your forms can be sent directly to your tax preparer. Fill out the “Change in Status Report” to change your forms’ mailing address to your tax preparer’s address for future mailings.

Use the Order Request at the back of this booklet to order additional reporting forms or reporting software. You may also order forms or software on the internet at www.oregon.gov/EMPLOY/TAX under “Reporting Methods.”

- Do not send photocopies of reports.
- Do not fax your reports.

These are considered out of format and may result in penalties.

Forms needed for reporting

- **Form OQ—Oregon Quarterly Tax Report.** Use this form to report state UI tax, state withholding tax, WBF assessment, TriMet, and LTD taxes.
Form OQ is also used to report withholding on pension/annuity payments.
- **Oregon Schedule B—State Withholding Tax.** Use this form **only** if state income tax withholding deposits are required semi-weekly or on a one-banking day basis. File Oregon Schedule B with Form OQ.
- **Form 132—Employee Detail Report.** If your business is subject to Oregon UI tax, use this form to report employee detail. File this form with Form OQ. **If you have more than 20 employees, order additional Form 132s using the Order Request at the back of this booklet.** Forms that are incorrectly formatted or photocopied may be returned, and a penalty may be assessed.

- **Form OTC—Oregon Combined Tax Payment Coupon.** Form OTCs are mailed separately, by December 31 of each year, to every employer that does not pay using electronic funds transfer (EFT). If you need to order additional coupons, write the Oregon Department of Revenue, PO Box 14800, Salem OR 97309-0920, or call 503-945-8091 or 503-378-4988. When ordering, tell us how many coupons you need for the remainder of the year.
- **Please use blue or black ink.** Our automated system can only read these colors.
- **Please do not use colored paper.**

NOTE:

Form OQ, Oregon Schedule B, and Form 132 are processed by the Employment Department using automated equipment. Form OTC and payments are processed by the Department of Revenue. To correctly apply payments, we must receive a Form OTC with every payment, including payments made with your Form OQ. Form OTC is not required for payments made by EFT.

Other forms

- **Form 013—Change in Status Report.** Use this form to report changes in your business. Because many of our reports are processed electronically, changes written on Form OTC or Form OQ may not be seen and processed. See the “Change in Status Report” at the back of this booklet for detailed instructions. The “Change in Status Report” is also available on the internet at www.oregon.gov/DOR.
- **Form WR—Oregon Annual Withholding Tax Reconciliation Report.** Use this form to reconcile your state withholding account. Form WR is due by February 28 of each year. Form WR is available on the internet at www.oregon.gov/DOR.

FILING THE COMBINED QUARTERLY TAX REPORT

Who must file

You must file a Form OQ each quarter:

- As long as you are registered as an active employer with Oregon Department of Revenue or Oregon Employment Department, **even if you had no payroll during the quarter.** Reimbursing employers and Local Government Employers Benefit Trust Fund employers also must file Form OQ.
- If you have paid individuals (workers, owners, officers) who are subject to Oregon's workers' compensation law or who are covered by workers' compensation insurance through personal election, even if you have no payroll during the quarter.
- If you withhold on a distribution of pensions or annuities.

You must file Form 132:

- If you are an employer subject to UI law. Reimbursing employers and Local Government Employers Benefit Trust Fund employers also must file Form 132.

You must file Oregon Schedule B:

- If you are required to deposit withholding taxes on a semi-weekly or a one-banking day basis.

When to file

See page 3 for the report due dates.

Filing options

Electronic filing is far more efficient, accurate, and less time consuming than paper filing. You can file electronically through the internet, e-mail, or by telephone.

- **OTTER.** You can file through the internet, e-mail, or on diskette using the computer-based "OTTER" (Oregon Tax Employer Reporting) software program. The software is free, user friendly, and popular with both large and small employers. Your data can be imported from separate payroll programs directly into the electronic reporting format or copied from one quarter to the next.

You may order OTTER by calling 503-947-1488, by using the order form in this book, or by downloading the program from www.oregon.gov/EMPLOY/TAX.

- **SETRON.** Web-based SETRON (Secure Employer Tax Reporting On-line) reporting allows any employer to report over the internet regardless of operating system. SETRON is on the Employment Department's website at www.oregon.gov/EMPLOY/TAX. Remember to print a paper copy of your report to keep for your records.
- **Telephone (IVR).** If you are an employer who has no payroll or subject hours to report for all programs or for a particular quarter, you can file a "no payroll/no hours worked" report by telephone, 24 hours a day, 7 days a week. The telephone number is 503-378-3981. Confirmation numbers are not issued; however, do not hang up until you are notified at the end of the call that your report was accepted.

Option specifications

For reporting-option specifications, call the Employment Department at 503-947-1488 (option 3). Options also are available on the internet at www.oregon.gov/EMPLOY/TAX under: "Reporting Methods." You also may use the order form at the back of this booklet.

Oregon annual filing

- If you file federal Form 943, you may file your Oregon withholding reports once a year using Form WA. Agricultural employers subject to unemployment tax, WBF assessment, or transit tax must file Form OQ in addition to Form WA. Call the Oregon Department of Revenue at 503-945-8091 for more information.
- Employers with exclusively domestic (in-home services) employment may file the Combined Payroll Tax Reports annually. The annual forms are sent out by November of each year. Call the Oregon Employment Department at 503-947-1488 for more information.

Amended reports or adjustments

To amend data on Form OQ, Schedule B, or Form 132. Copy the original report, make the necessary changes on the copy, clearly write "Amended" at the top of the form, write a brief explanation of why you are amending your report, and mail to: Oregon Department of Revenue, PO Box 14800, Salem OR 97309-0920. **Do not use red ink.** If you have a payment due, please include Form OTC with your payment.

To amend a report you filed using OTTER. Make the necessary corrections to your original report using the appropriate program. **Print a paper copy** of the corrected report, write "Amended" in large letters at the top of the corrected report, and write a brief explanation of why you are amending your report. Mail the paper copy of your corrected report to: Oregon Department of Revenue, PO Box 14800, Salem OR 97309-0920. **Do not send your corrected report electronically. Do not use red ink. Do not highlight.**

The time period allowable for adjustments to WBF assessment reports is the current calendar year and three preceding years. DCBS cannot initiate or accept adjustments to WBF reports or payments for any quarters that pre-date this period.

Failure to file

If you don't file a correct and complete quarterly report, you may receive an assessment(s) based on available information. Penalty and interest may be charged on the amount assessed (see page 12).

PENALTIES

Unemployment insurance tax

A late filing penalty may be assessed if Form OQ or the Employee Detail Report (Form 132) is filed more than 10 calendar days after the due date, and you have received a previous warning. **This is in addition to interest due.** The late filing penalty is \$6 for each employee reported, with \$75 minimum and \$1,500 maximum penalty amounts. Incomplete reports also may be assessed a similar penalty. If no subject wages are reportable but the report is filed late, a \$5 late filing penalty may be assessed.

In addition, if Form OQ or Form 132 are not correctly formatted or are incomplete, they may be returned. If the out-of-format report is not resubmitted before the tenth day following the due date, a 10 percent penalty may be assessed. To prevent this, send the reports electronically using the OTTER software the Employment Department provides (see page 9).

An additional penalty may be charged to employers who have failed as of September 1 to:

- File all unemployment insurance tax reports:
 - Form OQ—Oregon Quarterly Tax Report,
or
 - Form 132—Employee Detail Report,
or
- Pay all unemployment insurance taxes due.

The penalty is 1 percent of the employer's previous year's taxable payroll.

State withholding and transit taxes

- You will be charged a 5 percent late payment penalty on any unpaid tax after the due date of the return.
- You will be charged an additional 20 percent penalty on any tax due as of the due date if Form OQ is filed more than one month late.
- You will be charged a 100 percent penalty on any tax due if Form OQs are not filed for three years in a row.

Workers' Benefit Fund assessment

You are subject to a late filing penalty if Form OQ is filed or payment is received more than 10 calendar days after the due date. A civil penalty of up to \$2,000 may be assessed for each violation if the payment or Form OQ is not filed timely. Penalties will be assessed at 10 percent of the outstanding balance, with a minimum of \$50 for each violation.

In addition, if your account is audited for failure to report or inaccurate reporting, penalties up to \$2,000 may be assessed for failure to respond timely to notices and orders associated with audit findings (see page 23 for details).

INTEREST

Unemployment insurance tax

Interest is assessed on unpaid or late paid unemployment insurance tax. The rate is 1.5 percent per month or fraction of a month after the payment is due. Payments are due the last day of the month following the quarter. Interest is assessed if the payment is one day late. Calculate interest on unpaid tax only. Do not calculate interest on previously assessed interest or penalties.

Use this same calculation for Local Government Employers Benefit Trust Fund participants. Reimbursing employers should not calculate interest. Interest due on unpaid balances is billed to these accounts.

State withholding and transit taxes

You will be charged interest on any remaining tax left unpaid after the due date. Employers should not calculate interest due. You will be billed for interest due on unpaid balances.

Workers' Benefit Fund assessment

Interest is assessed on unpaid or late paid Workers' Benefit Fund assessments. The rate of 9 percent per year may be charged on all overdue balances. If your account is assigned for collection, you will be responsible for the collection fee.

QUARTERLY TAX REPORT (FORM OQ)

Line-by-Line Instructions

Before you complete Form OQ, review the business name, mailing address, Oregon business identification number (**BIN**), and federal employer identification number (**FEIN**) to verify they are all correct. Make corrections on the "Change in Status Report" included at the end of this booklet.

The North American Industry Classification System (NAICS) code is assigned by the Employment Department. Coding determination is based on information you supplied and reflects the primary activity for your company in Oregon. If you have questions regarding these codes, call 1-800-262-3912, ext. 7-1248 (toll-free within Oregon) or 503-947-1248.

Line-by-line instructions

The "monthly number of covered workers" you report on Form OQ should include all full-time and part-time workers who worked or received pay subject to unemployment insurance law during the payroll period which includes the 12th of the month. Some examples include:

- Daily pay period. Enter the number of workers on the daily payroll for the workday nearest the 12th of the month.
- Weekly, bi-weekly, or semi-monthly pay period. Enter the number of workers on the payroll for the period that includes the 12th of the month.
- Monthly pay period. Enter the number of workers on your monthly payroll.
- If there were no covered workers during any pay period, enter "0" in the appropriate boxes. Do not leave these boxes blank.

Add the numbers for the three months and place the sum in the **Total** (M1 + M2 + M3) box. This total is used to verify that the automated equipment has correctly read the monthly entries.

OQ columns

In each column, enter the total subject wages paid for each tax program this quarter. If you have questions, refer to the specific program information in this booklet.

In each column, enter the total tax owed to each state program. If any of the amounts are less than zero, enter "0." Do not enter any credit items. **Any credit in one tax program may only be used in that same program. A credit may be used in a future quarter or refunded by request.**

Column A. Unemployment Insurance (UI)

Box 1. Subject wages. This amount must be the same as line 1 (total subject wages) on Form 132. Include wages exceeding the taxable wage base for UI reporting purposes.

Box 2. Excess wages. Excess wages are wages above the taxable wage base for the year *per employee*. The taxable wage base for 2008 is \$30,200 per employee per year. Reimbursing employers and Local Government Employers Benefit Trust Fund participants leave this box blank.

Box 3. Taxable wages. Enter box 1A minus box 2A. Reimbursing employers leave this box blank.

Box 4. Tax rate. Use your current year's UI tax rate. If you are subject to UI tax and no rate is printed, call the Employment Department at 503-947-1488. Reimbursing employers leave this box blank.

Box 5. Total tax. Multiply box 3A by box 4A. Round down to the nearest cent and enter the tax amount. Enter "0" if you had no UI tax this quarter.

Box 6. Tax prepaid this quarter. Enter the amount of UI tax prepaid or credits used this quarter. Include any credit amount that may have been overpaid in previous quarters where no refund was requested or issued.

UI tax payments are due once per quarter on the same day as the tax reports.

Box 7. UI penalty and interest owed. Enter the amount of penalty and interest owed if the report is submitted more than 10 days after the due date. To compute the penalty, multiply the number of employees by \$6. The minimum penalty is \$75. The maximum penalty is \$1,500. If there were no employees, the penalty is \$5.

To calculate interest owed, multiply the unpaid tax owed by 0.015 for each month or fraction of a month after the date the payment is due. Interest is assessed even if the payment is one day late.

When calculating interest, use only the amount of unpaid tax. Do not calculate interest on previously assessed interest or penalties.

Box 8. Total due. Enter box 5A minus box 6A plus box 7A. If the amount is less than zero, enter "0."

Column B. State withholding

Box 1. Subject wages. Enter total *wages subject to income tax* (salaries, commissions, and bonuses), paid to Oregon employees this quarter.

- This amount need not match box 1A.
- Enter "0" if you had no subject payroll this quarter.

Box 5. Total tax. Enter total Oregon tax withheld this quarter. Enter "0" on the wage and tax line of the appropriate column if you had subject payroll but no withholding tax to pay this quarter (see page 10 for deposit rules). Only numerical information entered in the state withholding tax column will be considered a filed return for that program. If you enter something other than a number in the state withholding tax column or leave that column blank, we will conclude you are communicating to us you are not subject to state withholding tax and you are not filing a return for purposes of state withholding tax. If you deposit:

- **Quarterly**—complete only box 5B.
- **Monthly**—complete boxes on line 15 (M1, M2, and M3) on Form OQ. Add boxes and enter the total into box 5B. Note: Box 5B and line 15 **must total** the same amounts.

If you have no hours to report for the quarter, enter "0." More detail on determining hours worked is available at www.oregon.gov/DCBS/FABS/wbf.shtml or by calling 503-378-2372.

This line is for those who are required to deposit withholding taxes on a monthly basis. Show the amount withheld in each month of the quarter then total the amount withheld during the quarter. The total must equal the total withholding tax reported in box 5B.

Do not include payments made for UI tax, WBF assessment, or transit taxes in these boxes.

If you deposit only once a quarter, enter the total amount withheld in box 5B.

If you are required to deposit withholding on a daily or semi-weekly basis, do not complete this line. Report withholding on Oregon Schedule B (see page 10 for determining how often withholding must be deposited).

Reimbursing and Local Government Employers Benefit Trust Fund (LGEETF) employers do not complete this section. Employers not required to pay FUTA are not required to complete this section. See page 17 for more information on the special payroll tax.

Signature

Preparer needs to sign Form OQ on the signature line and include a telephone number and the date the form was prepared. A signature is required even if you file a "0" report.

EMPLOYEE DETAIL REPORT (FORM 132)

Complete only if you pay unemployment insurance tax or reimburse the Employment Department for benefits paid.

Line 1. Total subject wages. Enter the total subject wages for all employees for the quarter. If you use multiple pages of Form 132, enter the total amount on page 1 only. This figure (total for all pages) must equal the amount in box 1A on Form OQ.

Column 2. Social Security number. Enter the Social Security number for each employee reported.

Column 3. Employee name. Enter the first initial and last name of each employee reported.

Column 4. Hours worked during this quarter. Enter the number of hours the employee worked in the quarter. If you do not track hours for a full-time employee, use 520 hours for the report. **Do not report fractions or portions of an hour worked by an individual.** Round up any portion of an hour to the nearest whole hour.

Report the actual number of hours worked, both straight time and overtime. Hours paid for sick leave, vacation leave, or any other hours paid where no work was performed are not reported. Even though these hours are not reported in column 4, wages paid are still included in the subject wages in column 5.

Report hours in the quarter worked and wages in the quarter received.

The number of hours worked subject to unemployment insurance does not need to equal the number of hours reported for Workers' Benefit Fund assessment.

Enter "0" for an employee who did not work during the quarter but received wages (**do not leave blank**).

If you need to adjust hours worked in a previous quarter, file an amended Form 132 for that quarter (see page 9).

Column 5. Total subject wages paid this quarter. Wages are reported in the quarter paid to the employee regardless of when earned. Enter the total subject wages paid to each employee during the quarter regardless of whether the employee's wages exceeded the taxable wage base.

To correct wages for another quarter, file an amended Form 132 for that quarter (see page 9).

Box 6. Page total. Enter the total subject wages for all employees reported on the page. Do not include the totals from other pages of this form.

UNEMPLOYMENT INSURANCE TAX INFORMATION

Subject wages

Generally, wages reportable for Federal Unemployment Tax Act (FUTA) purposes are reportable for Oregon Unemployment Insurance (UI) tax. All wages, including draws, are reportable when paid to the employee. For example, wages paid April 1 for work performed in March are reportable in the second quarter (April–June).

An employee is any person (including aliens and minors) employed for pay by any employer subject to Employment Department law (ORS 657.015). This includes contract, casual, or temporary labor.

“Wages” means all compensation for service, unless specifically excluded by law. Payments other than cash are reportable at cash value in the quarter in which they are available to the employee.

The following are examples of subject wages:

- Payments for services to individuals in the employ of any type of corporation, except those electing to be excluded under the family corporation provision (see excluded wages).
- Payments for agricultural and domestic (in-home services) labor by qualified employers.
- Payments for services to individuals in the employ of nonprofit organizations or political subdivisions.
- Payments for services performed in the employ of a church or other religious organization.
- Special payment for services, such as commissions, fees, bonuses, prizes, separation allowances, guaranteed wage payments, vacation, and holiday pay.
- Employee tips reported by the employer pursuant to Section 3306 of the Internal Revenue Code.
- Board provided to employees as part of their pay shall have a minimum value of **30 percent of the standard per diem meal rate within the continental U.S. The rate per day will be rounded to the nearest dollar. The rate per month will be 30 times the rounded daily rate.** If room is furnished in addition to board, no additional value will ordinarily be placed upon the room. If room and board are furnished at hotels, resorts, or lodges, or if a room only, an apartment, a house, or any other consideration is provided, the value for tax purposes will be the **fair market value** thereof. **Note:**

noncash payments for agricultural and domestic (in-home services) services are not subject.

Excluded wages

Examples of payments that are not subject under unemployment insurance law are:

- Payments to a proprietor or the proprietor’s child under 18, spouse, or parent.
- Payments to a legally responsible and registered general partner or partners of a Limited Liability Partnership (LLP) or to members of a Limited Liability Company (LLC).
- Noncash payments to workers in agricultural or domestic (in-home services) employment.
- Sick pay under workers’ compensation law.
- Closely held family corporations may elect, by written request, to exclude payments for services to corporate officers who:
 - Are directors,
 - Have a substantial ownership interest in the corporation, **and**
 - Are members of the same family, as parents, stepparents, grandparents, spouses, sons-in-law, daughters-in-law, brothers, sisters, children, stepchildren, adopted children, or grandchildren.

However, those excluded may be subject to higher FUTA tax.

An election to exclude corporate officers must be in writing and will be effective the first day of the calendar quarter in which it is submitted for approval.

Unemployment insurance tax payments

UI tax payments are due quarterly in accordance with the payment instructions on page 10. When there is more owed than taxes, payments are applied first to legal fees, penalties, and interest. The remainder is applied to tax owed.

Special payroll tax

Effective in 2007, the Oregon Legislature authorized the unemployment insurance tax system to collect revenues using a special payroll tax which is due every quarter. Employers subject to federal unemployment insurance tax (FUTA) must deduct the

special payroll tax from the total state unemployment tax to determine the amount reported as “contributions paid to the state unemployment fund” on Federal Unemployment (FUTA) Form 940.

The special payroll tax is collected to assist the Wage Security Fund (BOLI) and the Supplemental Employment Department Administration Fund (SEDAF). The BOLI fund pays final wages when a business closes and does not have sufficient reserves to make final payroll. The SEDAF fund is used to provide Employment Department services. Do not include the special payroll tax to calculate a credit when reporting on federal Form 940. To calculate “contributions paid to the state,” use two lines in item 3 on Form 940 (computation of tentative credit), one for the first quarter, and one for the remaining quarters. The “state experience rating” for the first quarter is the unemployment insurance tax rate less 0.0009 and for the remaining three quarters it would be less 0.0009.

Example 1: An employer has a tax rate of 3 percent (0.03). In the second quarter, the experience rate will be 2.91 percent (0.0291), which is the tax rate less the 0.09 percent (0.0009) special payroll tax offset.

Example 2: Employers with the highest state unemployment tax rate, 5.4 percent (0.054), should not calculate the amount of the special payroll tax offset. The employer should use the unadjusted amount of taxes paid to the state as “contributions paid to your state unemployment fund.”

“Contributions actually paid to the state” should equal the amounts found on line 17 of Form OQ for each quarter. If the amounts paid were less than what is owed, report the amount **actually** paid. To obtain Form 940, contact the IRS at 1-800-829-3676. You may also download the forms from the internet at www.irs.ustreas.gov.

Employer ceases to be subject to UI tax

An employer who ceases to have sufficient employment or payroll subject to ORS Chapter 657 must file an application for such a finding by the director of the Employment Department in accordance with ORS 657.415. Such exemption shall continue until the employer again qualifies as an employer as defined in ORS 657.

Employer account access

You can review your unemployment insurance account information anytime, day or night, on the internet by going to www.oregon.gov/EMPLOY/TAX. Just click on “Your Account Info Center,” enter the information to register your Personal Identification Number (PIN), and **you can look at your information without having to contact the Employment Department.**

WITHHOLDING TAX INFORMATION

Subject wages

Some examples of taxable wages are:

- Salaries, commissions, bonuses, wages, fees, prizes, separation allowances, guaranteed wage payments, and vacation or holiday pay.
- Payments by a corporation, including S corporations and professional corporations, to a corporate officer for services, including guaranteed wage payments for services.
- Wages paid when an employer-employee relationship exists between a husband and wife, domestic partners, or a parent and child.

Exempt wages

Oregon withholding law exempts wages paid for certain kinds of services, labor, employee allowances for the benefit of employer, and reimbursed employee business expenses. A list of exempt wages is in the Employer's Guide For Doing Business in Oregon. Call the Oregon Business Information Center at 503-986-2200 to order a copy.

Figuring allowances

Use the number of allowances claimed by an employee on Internal Revenue Service Form W-4. Oregon does not have its own W-4 or W-4P. If an employee didn't file a Form W-4, use "single 0" allowances. Don't permit the allowances on W-4 if:

- The employee claims exempt status for state withholding tax only, **or**
- The Oregon Department of Revenue or the Internal Revenue Service tells you not to permit the allowances.

You must send a copy of Form W-4 to the Department of Revenue within 20 days after receiving it if the employee claims:

- More than 10 allowances.
- Exemption from federal or state tax, and the employee's income is expected to exceed \$200 per week.
- Exemption from state withholding tax but not from federal withholding tax.

Send copies to: W-4 Project Manager, PO Box 14560, Salem OR 97309-5011. Make sure that Form W-4 has complete information on both employer (including FEIN) and employee.

Withholding on IRAs, annuities, and compensation plans

The withholding of taxes from commercial annuities, employer-deferred compensation plans, and retirement plans is mandatory for the payer. However, an individual may choose to have no withholding. The payer must present federal Form W-4P or a similar form to the payee. The payee uses Form W-4P to show the exemptions for state withholding. Withhold as if the payments were wages, using the tax tables furnished by the Oregon Department of Revenue. The amount of withholding per payee must be \$10 or more.

- Withholding on pensions and annuities requires a separate Business Identification Number (BIN) from your payroll account because these are not payroll wages.

Oregon does not follow the federal backup withholding rules for pensions and annuities distributions.

The payer issues 1099s to the payees at the end of the year and files Form WR with the Oregon Department of Revenue.

For more information, call 503-945-8091.

Figuring withholding tax

The withholding tax tables have been updated effective January 1, 2007. To figure the amount of tax to withhold from an employee's wages:

- Use the Oregon withholding tax tables. This information is available on the internet at **www.oregon.gov/DOR**. If you do not have internet access, you may call 503-945-8091 or 503-378-4988.
- For computer payroll systems, use the percentage formula in the Oregon withholding tax tables, available on the internet at **www.oregon.gov/DOR**.

All Oregon employers must withhold tax from employee wages (including draws) at the time employees are paid. Taxes are withheld and reported in the quarter the employee is paid.

Employees who need additional state withholding can request information circular 150-206-643 from the Department of Revenue. Some employers must withhold and report state withholding tax even though they don't have to withhold federal tax.

Who must file a report?

All employers who have resident and non-resident employees working in the TriMet or LTD districts and who aren't exempt (see "Exempt payroll" on page 22) must register and file with the Oregon Department of Revenue. If an employer doesn't have employees working within the transit district boundaries, the payroll isn't subject to the transit tax.

Wages subject to transit districts

Wages means all salaries, commissions, bonuses, fees, or other items of value paid to a person for services performed within a transit district. See ORS 267.380 for further details. Transit district wages also include:

- Contributions to a Simplified Employee Pension (SEP) made at the election of the employee.
- Payments for the purchase of IRC section 403(b) annuities under salary reduction agreements.
- Contributions to 401(k) retirement plans made at the election of the employee, including employer-matched contributions.
- Pick-up payments to governmental retirement plans under salary reduction agreements.
- Amount deferred under governmental deferred compensation plans.
- Any amount deferred under a nonqualified deferred compensation plan.
- Payment to an IRC408 Individual Retirement Account under salary reduction agreement.
- Domestic service in a private home.
- Cafeteria plans.
- Casual labor.

- Seamen who are exempt from garnishment.

- Wages paid to employees whose labor is solely connected to planting, cultivating, or harvesting seasonal agricultural crops.

The following are exempt from LTD but subject to TriMet:

- Public education districts.
- Public special service and utility districts.
- Port authorities.
- Fire districts.
- City, county, and other local government units.

Exempt payroll

The following are exempt from TriMet and LTD excise taxes:

- Federal government units.
- Federal credit unions.
- Public school districts.
- Organizations, except hospitals, that have qualified for exemption under ORS 267.380(1)(b).
- All foreign insurers are exempt.
- Insurance adjusters, agents, and agencies, as well as their office support staff, are exempt from transit tax to the extent that the business income is derived from insurance-related activity. Non-insurance income is taxable (ORS 731.840).

How to figure the transit tax

The transit tax is imposed directly on the employer. It is imposed only for the amount of gross payroll paid for services performed within the TriMet or LTD district.

Use the current TriMet or LTD tax rates. If you are subject to TriMet or LTD transit tax and no tax rate is printed, contact the Oregon Department of Revenue at 503-945-8091.

WORKERS' BENEFIT FUND ASSESSMENT INFORMATION

The Workers' Benefit Fund (WBF)

The Workers' Benefit Fund supports programs that directly benefit injured workers and the employers who help them return to the work force. More information about specific programs supported by the fund is on the internet at www.oregon.gov/DCBS/FABS/wbf.shtml.

Note: The Workers' Benefit Fund (WBF) assessment is separate from your workers' compensation insurance premium and does not provide you with insurance coverage.

Workers subject to Workers' Benefit Fund assessment

Individuals subject to the WBF assessment are (1) all paid workers for whom the employer is required by Oregon law to provide workers' compensation insurance coverage, and (2) all paid individuals (workers, owners, officers) that may otherwise be nonsubject, but whom the employer covers under workers' compensation insurance through personal election.

If you do not file Form OQ during the time you have subject workers or personal elections, you may be assessed a penalty.

Workers' Benefit Fund assessment reporting exemptions

You may qualify for exemption from reporting the WBF assessment if you do not have any paid individuals (including yourself) covered by your workers' compensation insurance policy. To request an exemption from WBF assessment reporting, complete and mail to DCBS a "Corrections and Changes Notification for WBF Assessment" form. The form is available on the internet at www.oregon.gov/DCBS/FABS/wbf.shtml or by calling 503-378-2372.

You must resume reporting the WBF assessment as soon as you have paid subject workers or elect to cover yourself or other paid nonsubject individuals with your workers' compensation insurance policy.

Hourly assessment

The assessment is based on the total number of hours and partial hours worked by all paid subject workers in the same pay period that is used to compute the employee's withholding. The hourly

assessment rate is printed on Form OQ in box 10 and may change annually.

Penalties for failure to respond timely to audit findings

DCBS audits the WBF assessment accounts of employers that fail to report or report inaccurately. The cost of following up on employers that report inaccurately and fail to respond to audit findings increases the cost of the workers' compensation system to everyone. To more effectively ensure fair and equitable distribution of costs, DCBS is authorized under ORS 656.745 and Oregon Administrative Rule (OAR) 436-070-0050 to issue civil penalties up to \$2,000 for failure to respond timely to notices and orders associated with audit findings. If you use a payroll service provider, please be advised that it is still your responsibility to ensure timely response to all audit findings.

How to update or close your Workers' Benefit Fund assessment account

If you change ownership, discontinue business, or cease to employ workers, contact your workers' compensation insurer with the corrected information. When your insurer terminates or files an endorsement to the guaranty contract with the Workers' Compensation Division of DCBS, your WBF assessment account also will be corrected or closed. Your insurance coverage and claims liability remain unchanged and in effect until your insurer notifies the Workers' Compensation Division directly.

You also may use the "Corrections and Changes Notification for WBF Assessment" form to expedite updating or closing your WBF assessment account for reporting purposes. This form is available on the internet at www.oregon.gov/DCBS/FABS/wbf.shtml or by calling 503-378-2372.

INSTRUCTIONS FOR FORM WR

Filing requirements

All Oregon employers who pay state withholding tax must file Form WR, Oregon Annual Withholding Tax Reconciliation Report. The 2008 form is due February 28, 2009. If you stop doing business during 2008 or no longer have employees, Form WR is due 45 days **after** your final payroll.

To amend data on Form WR, make a copy of the original Form WR and make the necessary changes on the copy. Write "**Amended**" at the top of the form. Attach any necessary amended OQ forms to the amended Form WR. Send your amended forms to the address shown below.

Oregon employers who fail to file Form WR may be charged a penalty of \$100.

How to fill out Form WR

Write your business name and Oregon business identification number (BIN) in the spaces shown. If you received a personalized booklet, your name and business identification number will be filled in. Follow the instructions below for each line number.

Line 1 through Line 4. Fill in the total Oregon tax **reported** for each quarter (use the amount from box 5B of your 2008 OQ forms).

Line 5. Total. Total amount from all quarters reported.

Line 7. Enter the difference between line 5 (total tax paid) and line 6 (total tax shown from W-2s or 1099Rs).

If line 6 is **larger** than line 5, you owe additional tax (shown on line 7). If line 6 is **smaller** than line 5, you have overpaid your tax and have a credit. If the amount on line 7 is zero, your state withholding account balances.
