

IDEAL is a single location on the web to make your life easier as a teacher in a number of ways (www.ideal.azed.gov):

1

Lesson Plans

Click onto IDEAL, and you will have lesson plans ready to use in your classroom. These are aligned to Arizona standards.

2

Videos

IDEAL has over 4,000 streaming videos that you can use in your classroom to instruct students. These are aligned to Arizona standards.

3

Assessments To Aid Instruction

You can use a ready-made quiz, or customize your own quiz from an item bank of over 3,000 questions – all on Arizona standards.

4

Professional Development

For \$50 to \$100, much less than you would find elsewhere, you can take an online course, for which almost all districts give horizontal movement. This includes required English Language Learner courses, and about 15 additional courses per quarter.

5

Share Ideas and Resources

For example, Google Apps makes it possible for a number of teachers to work together on one document.

6

Take a Sample AIMS Test

Take a test of cloned and previously used questions—any subject, any grade level. We'll show you the correct answers for questions you got wrong, and won't tell anyone.

7

Future Services

IDEAL will be expanded to allow student access to information that you choose, and parent access to grades to date and homework assignments.

getting started

IDEAL is currently available for certified and highly qualified Arizona teachers and administrators through a secure single sign-on. There are also resources available to other stakeholders outside of the single sign on. To log in visit <http://ideal.azed.gov>.

IDEAL works closely with the Statewide Instructional Technology (SIT) Project and the county-based Technology Integration Specialists (TISs) to offer training on the IDEAL environment. Training videos and step sheets are also available to help you get started. Support is available six days a week through a highly qualified help desk. Contact the IDEAL Help desk by phone [480-965-9411](tel:480-965-9411) or by email support@ideal.azed.gov.

From the desk of:

Tom Horne

State Superintendent of Public Instruction

Dear Educator,

We are providing a service to teachers that I hope all teachers will use. I am committed to do all I can to make your life easier so you can focus on the academic success of your students.

Here are some quotes about the service described in this pamphlet:

*"Wow! I wasn't going to get an account, but now I see what's there I can't wait to get more training."
- Teacher attending a summer academy*

*"Wow, these are great resources."
- 7th grade teacher*

Please turn the page to find out about this upgraded service.

*Sincerely,
Tom Horne*
