¹ Status will be updated annually to reflect performance data collected at the end of each fiscal year. Progress will be assessed twice annually (Jan/July)..

² Each agency is required to ask GSA to institute sustainable design in contracts and leases on its behalf.

ENVIRONMENTAL STEWARDSHIP STANDARDS FOR SUCCESS

		
<p>Agency:</p> <ul style="list-style-type: none"> • Met >70% green and <5% red on EMS facility-level metrics at all appropriate facilities. • Has a comprehensive, written green purchasing plan (GPP) that includes recycled content products, Energy Star/energy efficient (EE) products, biobased products, and environmentally preferable products (EPP)³; demonstrates compliance in representative acquisitions (e.g., construction, O&M, office supplies, etc.); audits compliance annually; and develops corrective action plans to address shortcomings in GPP preference program. • Demonstrates comprehensive implementation of a sustainability program for green buildings that at a minimum requires sustainability design principles on all new construction and major renovations and is consistent with EPEAT 2005 and EO 13123, and/or is implementing the Memorandum of Understanding (MOU) on Federal Leadership in High Performance and Sustainable Buildings (1/24/06) or equivalent. • Demonstrates comprehensive implementation of a sustainability program for electronic stewardship that at a minimum promotes the purchase, operation, and use of end-of-life management strategies for electronic assets consistent with the MOU on Electronics Stewardship (11/15/04), or Federal Electronics Challenge (FEC) or equivalent. • Has a comprehensive Compliance Management Plan (CMP) and an implementation strategy in accordance with the 11/04 President's Management Council (PMC) Compliance Initiative Memorandum. 	<p>Agency:</p> <ul style="list-style-type: none"> • No more than 20% red on facility-level metrics at all appropriate facilities. • Has a GPP for recycled content, biobased, & environmentally preferable products; includes requirements for these products in representative acquisitions (e.g., construction, O&M, office supplies, etc.). • Has developed a sustainability program for green buildings and/or has signed the MOU on Sustainable Buildings. Implementation beginning but not yet comprehensive across agency. • Signed the MOU on Electronic Stewardship and/or has a plan to meet the objectives of the MOU; and/or is a FEC partner • Has selected initiatives for a Compliance Management Plan and/or developed a strategy with the Federal Environmental Executive in accordance with the PMC Compliance Initiative. 	<p>Agency:</p> <ul style="list-style-type: none"> • Has >20% red on facility metrics. • Has no GPP or only has a GPP for some required products and/or cannot demonstrate inclusion of green products in acquisitions. • Does not have a sustainability program for green buildings or did not sign MOU on Sustainable Buildings. • Did not sign MOU on Electronic Stewardship or does not have a program to promote sustainable environmental stewardship of Federal electronic assets. • If applicable, has not selected initiatives for a stand alone CMP or has not discussed a strategy with the Federal Environmental Executive.
