

Contraband Information for Training Academy Attendees

“Training Academy Attendees” includes:

- Class participants
- Instructors
- Anyone visiting the Academy

Contraband is defined as:

Any item prohibited from offender possession within a facility or program because it endangers the safety and security of the institution, staff or offender, and/or members of the community. Contraband also includes items an offender is prohibited from obtaining because of treatment issues.

Supplying Contraband is a Felony

(per ORS 162.185):

A person commits the crime of supplying contraband, if the person knowingly introduces any contraband into an OYA facility or program; or a person confined in such facility or program knowingly makes, obtains, or possesses any contraband item. The OYA will initiate criminal charges against any person committing such a crime.

Examples of Contraband include:
