Liaison Reports/Updates Rita Sullivan Meth Task Force (MTF)	<p>Several Liaisons unable to attend the meeting.</p> <p>Still tracking bills, nothing new to report. Had Todd Twyman, Department of Education, talk about the Healthy Teen Survey. Discussed identified weak elements in it. Will be discussed more at a future meeting of the MTF.</p>		
Addictions and Mental Health – Karen Wheeler	<p><u>1. Bill Updates:</u></p> <p>-Testified in support of Senate Bill 34 on Prescription Drug-Monitoring Program. There is a public law 109-60 that in August of 2008, if we don't have a prescription drug-monitoring program, SAMHSA can put us at the bottom of the list for any discretionary grant. Hoping for a positive outcome today on that. Bill is opposed by the ACLU</p> <p>Discussion</p>

	<p>-SB184 – Funding package we are watching extremely closely. Funds the prevention package \$3 million dollars and treatment package, drug courts all total of \$17 million, that’s the 2% transfer from the OLCC liquor revenues, directly to the mental health alcohol and drug services. The ones opposing are the cities. They are not going to respond legislatively as long as it doesn’t go over 2%. Governors’ office supports this bill.</p> <p>Erin Kelley Seal putting together talking points for Bruce Goldberg for legislators on SB184.</p> <p>Discussion</p> <p>2. Handout: AMH has completed a series of fact sheets on outcomes. Performance measures and a box at the bottom that show the unmet treatment needs in the Child Welfare population and how it has grown over the years from 2000-2005.</p>	<p>Send fact sheets electronically to</p>	<p>Karen Wheeler</p>
