Topic	Key Discussion Points	Action/Task/ Decision Log	Responsible Persons	Due Date
	<ul style="list-style-type: none"> • Diversion • Training • Arrest numbers <p>2. Power Point</p> <ul style="list-style-type: none"> • Goals – last 8 years • Campaign Strategy and Implementation • BUH Campaign Survey Results – Recall • BUH Summary – Alcohol involved fatalities down to 10% <p>Mark asked if there is an open container law for boating. Answer: No Ann asked if this included non-motorized. Answer: Yes</p> <p>3. Boater education course required for 60 years of age and under. By 2009 everyone will be required.</p> <p>4. The Marine Board keeps statistics for all fatalities, both motorized and non-motorized.</p> <p>5. Public Relations have a strong role with the Marine Board. Before media campaign 35% of boating accidents and 30% fatalities involved alcohol.</p>			

Topic	Key Discussion Points	Action/Task/ Decision Log	Responsible Persons	Due Date
	<p>Boaters Handbook is available through the Marine Board.</p> <p>Mark asked if dealers have literature for public available. Answer: Yes</p> <p>Ann asked, "If you lose your right to boat, how does this correlate to DUII"?</p> <p>Answer: There is no correlation or coordination. They are separate.</p> <p>Chuck Hayes a DUII Advisor stated there is added correlation between drinking on watercraft and then getting into a car to drive home. It has been reported there is good collaboration with the Marine Board. The cooperation between them is improving regarding shore side intoxication.</p> <p>Ann offered the Council's assistance in changing laws regarding BUII.</p> <p>The website has more data available at: http://www.boatoregon.com</p>			
<p>Department of Human Services (DHS) - Clyde Saiki, Deputy Director</p>	<p>Bruce Goldberg sends his regrets on not being able to attend. He is on vacation.</p> <p>DHS Overview:</p> <ul style="list-style-type: none"> • Committed to Alcohol and Drug prevention, treatment and recovery. • Deliver message to many diverse groups and officials <p>Important efforts of communication</p>			

Topic	Key Discussion Points	Action/Task/ Decision Log	Responsible Persons	Due Date
	<ul style="list-style-type: none"> • Consistency of message • Repeat message model • Domino Effect important to DHS in the format and message impact of Alcohol and Drug across agencies and communities. <p>Requests/Suggestions for Council:</p> <ul style="list-style-type: none"> • Translate into "budget-speak" for next report <p>2007 Policy Packages developed around program areas. Good legislative year – good 1st step, but not back to where we were 6 years ago.</p> <p>The department's vision:</p> <ul style="list-style-type: none"> • Alcohol and drug services from department and state agencies, government • Accountability – fiscal, administrative processes, process improvement effort • Diversity and cultural competency – Monitors tell us demographics will drastically change over next several years. This will impact service, provision and prevention. • For outcome measures related to funding go to DHS website to view key performance measures at: http://egov.oregon.gov/DHS/publications/pm_reports • Prevention – need more investment 			

Topic	Key Discussion Points	Action/Task/ Decision Log	Responsible Persons	Due Date
	<p>Bill Hall asked if the department is planning to expand or improve data collection.
