

2008 – 2009 OSFM NFIRS Training Schedule

The classes listed below will be the Final NFIRS classes offered.

If you are interested in attending one of the free classes listed below, please call or send an email request to Colleen or Vicki. **Weather and Budget permitting**, all classes will be one-day sessions and held on Saturday. Classes start at 9:00 AM unless indicated on the schedule. A free laptop computer and printer will be issued to each participating department. Two individuals from each department are **required** to attend the class. Due to limited space, two individuals from each fire department will be the maximum allowed for each class.
