Introduction

The *Insurance Division Annual Report 2001* is published in two parts:

Part I

Part I includes information about the Insurance Division's mission, organization, revenue and expenditures. It also includes summaries of the financial results of all insurance companies, for each line of insurance.

Part II

Part II includes detailed financial results for property and casualty and life insurance companies by insurer and by line of insurance. Because of this detail, Part II is over 230 pages and interested parties are encouraged to view it on the Internet. Paper reprints are available by request for the cost of copying.

To request a printed copy of Part I or Part II, call (503) 378-8254.

Both Part I and Part II also are available on the Internet at:
