Free Help with Medicare and Prescription Drug Insurance

SHIBA

State of Oregon
Senior Health
Insurance Benefits
Assistance

What is SHIBA?

The Senior Health Insurance Benefits Assistance program uses trained volunteers to help people with Medicare make health insurance decisions.

This free program saves Medicare beneficiaries money by making sure they receive all possible benefits and don't pay too much out of their own pockets.

SHIBA is funded by a federal grant from the Centers for Medicare & Medicaid Services.

These free services are available to people with Medicare, their family members, caregivers and advocates.

SHIBA volunteers can help you

- Select a Medicare prescription drug plan
- Find out if you are receiving all possible benefits
- Compare supplemental health insurance policies
- Evaluate your need for long-term care insurance
- File an appeal or insurance complaint

How to contact SHIBA

- Call the SHIBA sponsor in your area (see back of brochure)

Volunteers offer one-on-one counseling at community centers or in private homes

- Visit SHIBA's Web site: www.oregonshiba.org

The Web site contains detailed information on Medicare programs, volunteer opportunities and how to e-mail SHIBA.

Volunteer opportunities

SHIBA's success is built on a statewide network of trained volunteers. A good volunteer candidate:

- Enjoys helping others, is dependable, compassionate and has good communication skills
- Protects client confidentiality and has no conflict of interest
- Completes training requirements and maintains proficiency

Call 1-800-722-4134 to request a SHIBA volunteer application.
