Edison Innovation R&D Fund

The Edison Innovation R&D Fund provides funding of \$100,000-\$500,000 to New Jersey technology companies for proof-of-concept research and development activities and ancillary activities necessary to the commercialization of an identified technology. Companies can submit an application individually or in partnership with a New Jersey research university, company or institution. Companies are required to provide a 50% cash match.

Companies that are awarded the Edison Grant by NJCST can receive up to 20% of the approved NJCST grant, not to exceed \$100,000, from the NJEDA in equity-like financing for non-R&D related costs.

Applications Due: 3pm, July 6, 2009
