1. Full-time equivalent employees equals the number of employees on full-time schedules plus the number of employees on part-time schedules converted to a full-time basis. The number of full-time equivalent employees in each industry is the product of the total number of employees and the ratio of average weekly hours per employee for all employees to average weekly hours per employee on full-time schedules.

2. NAICS crop and animal production.

3. Consists of furniture and home furnishings stores; electronics and appliance stores; building material and garden equipment and supplies dealers; health and personal care stores; gasoline stations; clothing and clothing accessories stores; sporting goods, hobby, book, and music stores; miscellaneous store retailers; and nonstore retailers.

4. Consists of scenic and sightseeing transportation; transportation support activities; and couriers and messengers.

5. Intangible assets include patents, trademarks, and franchise agreements, but not copyrights.

6. Consists of accounting, tax preparation, bookkeeping, and payroll services; architectural, engineering, and related services; specialized design services; management, scientific, and technical consulting services; scientific research and development services; advertising and related services; and other professional, scientific, and technical services.

7. Consists of offices of bank and other holding companies and of corporate, subsidiary, and regional managing offices.

8. Includes Coast Guard.

9. Employees of Indian tribal governments are classified in state and local government.

10. Includes estimates of foreign professional workers and undocumented Mexican migratory workers employed temporarily in the United States.

Note. Estimates in this table are based on the 1997 North American Industry Classification System (NAICS).
