Project Name

Okolona Sanitary Sewer Project

Project Location

Purpose of Project

Detailed Project Description

The project consists of the construction of a wastewater distribution center for 56 of its residents and businesses. The Ohio EPA has issued Findings and Orders to mandate the installation of sewers. The project will provide sufficient wastewater treatment and collection facilities to its residents and correct the potential safety hazards to its residents.

Total estimated cost of the project based on facilities plan or preliminary engineering report

\$2,341,400

Amount requested (cannot be greater than 55% of the total project amount)

\$800,000

Amount received from past appropriations

None

Does the community have a financing plan certified by an authorized local official demonstrating how it will cover the 45% matching funds?

Yes

Intended Recipient of Funds

Henry County Regional Water & Sewer District
1857 Oakwood Avenue
Napoleon, OH 43545

Is the recipient a for-profit entity?

No

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds)

This project is under Findings and Orders from the Ohio EPA and the residents of this small area cannot afford the cost of the project. With completing this project, it will satisfy the OEPA Orders and provide this area clean water that is conducive to the public safety, health, welfare and being of the community and Northwest Ohio.
