EPSC Subcommittees

April 23, 2009

Subcommittee	Charge/Outcomes	Members Chairs*
Best Practices/ Enabling Technologies Subcommittee	**Charge of the Subcommittee** The Best Practices/ Enabling Technologies Subcommittee will serve as a forum for the development and promotion of Privacy best practices, as well as for the review of available technologies that support and enable the mission of Privacy. Best practices may be drawn from the public and private sectors. Technology solutions may include consideration of enterprise licensing agreements, and experience of other Federal agencies. Best Practices and Technology will assess agency and industry solutions to develop implementation and performance measurement benchmarks. **Outputs, Outcomes and Artifacts** Technology Recommendations, Best Practices Document, ELAs, Technology Matrix, Reports	
Privacy Awards Subcommittee	**Charge of the Subcommittee** The DOE Privacy Awards Subcommittee will develop an annual awards protocol including establishing the criteria for selection, the nomination process, and the process for adjudicating submission. The subcommittee will select winners to be awarded at the annual IMC or Cyber Conference or DOE Privacy Summit. **Outputs, Outcomes and Artifacts** Awards, Selection Criteria, Promotional Materials, Reports	
Government 2.0 Subcommittee	**Charge of the Subcommittee** The Government (Gov) 2.0 subcommittee will offer a forum for discussion and recommendations on how best to promote the Administrations "Open Government and Transparency" initiative. The subcommittee will consider the potential impact to privacy posed by the increased use of Web 2.0 technologies, and offer recommendations to ensure PII is appropriately safeguarded. **Outputs, Outcomes and Artifacts** White Papers, Presentations, Reports	

Subcommittees may include non-EPSC members. Members are asked to serve one year. Chairpersons may be from the field or HQ.
