

**CERTIFICATION OF COMPLIANCE AGREEMENT
BETWEEN THE
OFFICE OF INSPECTOR GENERAL OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND**

**MISSISSIPPI BAPTIST HEALTH SYSTEMS, INC., MISSISSIPPI BAPTIST MEDICAL
CENTER, INC., AND MEDICAL BAPTIST MEDICAL ENTERPRISES, INC.**

I. PREAMBLE

Mississippi Baptist Health Systems, Inc., Mississippi Baptist Medical Center, Inc. and Mississippi Baptist Medical Enterprises, Inc. (collectively "Mississippi Baptist"), hereby enter into this Certification of Compliance Agreement (CCA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS). Contemporaneously with this CCA, Mississippi Baptist is entering into a Settlement Agreement with the United States.

The effective date of this CCA shall be the date on which the final signatory of this CCA executes this CCA (Effective Date). Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a "Reporting Period."

II. INTEGRITY REQUIREMENTS

Mississippi Baptist shall, for a period of three years from the Effective Date of this CCA:

A. Continued Implementation of Compliance Program. Mississippi Baptist shall continue to implement its Compliance Program, as described in the attached Declaration (which is incorporated by reference as Appendix A), and continue to provide, at a minimum, the same level of resources currently provided, throughout this time period. Mississippi Baptist may amend its Compliance Program as it deems necessary, so long as those amendments are consistent with the overall objective of ensuring compliance with the requirements of Medicare, Medicaid, and all other Federal health care programs, as defined in 42 U.S.C. § 1320a-7b(f).

B. Reporting of Overpayments. Mississippi Baptist shall promptly refund to the appropriate Federal health care program payor any identified Overpayment(s). For purposes of this CCA, an "Overpayment" shall mean the amount of money Mississippi Baptist has received in excess of the amount due and payable under any Federal health care program requirements. If, at any time Mississippi Baptist identifies or learns of any

Overpayment, Mississippi Baptist shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment, Mississippi Baptist shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified, within 30 days after identification, Mississippi Baptist shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies and, for Medicare contractors, shall include the information contained on the Overpayment Refund Form, provided as Appendix B to this CCA. Notwithstanding the above, notification and repayment of any Overpayment amount that is routinely reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

C. Reportable Events. Mississippi Baptist shall report to OIG in writing within 30 days after making a determination (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) that there is a Reportable Event, which shall mean anything that involves: (1) a substantial Overpayment, or (2) a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized. In such report, Mississippi Baptist shall include the following information:

1. If the Reportable Event results in an Overpayment, the report to OIG shall be made at the same time as the notification to the payor required in Section II.B, and shall include all of the information on the Overpayment Refund Form, as well as:
 - a. the payor's name, address, and contact person to whom the Overpayment was sent; and
 - b. the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;
2. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;

3. a description of Mississippi Baptist's actions taken to correct the Reportable Event; and

4. any further steps Mississippi Baptist plans to take to address the Reportable Event and prevent it from recurring.

D. Notification of Government Investigation or Legal Proceedings. Within 30 days after discovery, Mississippi Baptist shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Mississippi Baptist conducted or brought by a governmental entity or its agents involving an allegation that Mississippi Baptist has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Mississippi Baptist shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any.

E. Annual Reporting Requirements. Mississippi Baptist shall submit to OIG annually a report that sets forth the following information for each Reporting Period (Annual Report):

1. A description of any material amendments to its Compliance Program and the reasons for such changes;

2. Any decrease to the level of resources dedicated to its Compliance Program and the reasons for such decrease;

3. A summary of all internal or external reviews, audits, or analyses of its Compliance Program (including, at a minimum, the objective of the review, audit, or analysis; the protocol or methodology for the review, audit, or analysis; and the results of the review, audit, or analysis) and any corrective action plans developed in response to such reviews, audits, or analyses;

4. A summary of all internal or external reviews, audits, or analyses related to the compliance with Federal health care program requirements, including compliance issues related to any financial arrangements between Mississippi Baptist and physicians, or other potential referral sources (including, at a minimum, the objective of the review, audit, or analysis; the protocol or methodology for the review, audit, or analysis; and the

results of the review, audit, or analysis) and any corrective action plans developed in response to such reviews, audits, or analyses;

5. A report of the aggregate Overpayments that have been returned to the Federal health care programs. Overpayment amounts shall be broken down into the following categories: inpatient Medicare, outpatient Medicare, Medicaid (report each state separately, if applicable), and other Federal health care programs. Overpayment amounts that are routinely reconciled or adjusted pursuant to policies and procedures established by the payor do not need to be included in this aggregate Overpayment report; and

6. A certification by the Compliance Officer that: (a) to the best of his or her knowledge, except as otherwise described in the Annual Report, Mississippi Baptist is in compliance with the requirements of this Section II; and (b) he or she has reviewed the Annual Report and has made reasonable inquiry regarding its content and believes that the information in the Annual Report is accurate and truthful.

The first Annual Report shall be received by OIG no later than 60 days after the end of the first Reporting Period. Subsequent Annual Reports shall be received by OIG no later than the anniversary date of the due date of the first Annual Report.

F. Notifications and Submission of Annual Reports. Unless otherwise specified in writing after the Effective Date, all notifications and Annual Reports required under this CCA shall be submitted to the following addresses:

Unless otherwise specified, all notifications and reports required by this CCA may be made by certified mail, overnight mail, hand delivery, or other means, provided that there is proof that such report or notification was received. For purposes of this requirement, internal facsimile confirmation sheets do not constitute proof of receipt.

G. OIG Inspection, Audit, and Review Rights. In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine or request copies of Mississippi Baptist's books, records, and other documents and supporting materials and/or conduct on-site reviews of any of Mississippi Baptist's locations for the purpose of verifying and evaluating: (a) Mississippi Baptist's compliance with the terms of this CCA; and (b) Mississippi Baptist's compliance with the requirements of the Federal health care programs in which it participates. The documentation described above shall be made available by Mississippi Baptist to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Mississippi Baptist's employees, contractors, or agents who consent to be interviewed at the individual's place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. Mississippi Baptist shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG's

request. Mississippi Baptist's employees may elect to be interviewed with or without a representative of Mississippi Baptist present.

H. Document and Record Retention. Mississippi Baptist shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs, or to compliance with this CCA, for four years (or longer if otherwise required by law).

III. BREACH AND DEFAULT PROVISIONS

Mississippi Baptist is expected to fully and timely comply with all of the Integrity Requirements set forth in this CCA.

A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, Mississippi Baptist and OIG hereby agree that failure to comply with the Integrity Requirements set forth in this CCA may lead to the imposition of the following monetary penalties (hereinafter referred to as "Stipulated Penalties") in accordance with the following provisions.

1. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Mississippi Baptist fails to establish and implement any of the following compliance program elements as described in Section II and the Declaration attached to this CCA as Appendix A:

- a. a Compliance Officer;
- b. a Compliance Committee;
- c. a written Code of Conduct;
- d. written Policies and Procedures;
- e. the annual training of officers, employees, contractors, subcontractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of Mississippi Baptist;
- f. an internal audit department that performs periodic reviews to monitor Mississippi Baptist's compliance with Federal health care program requirements;

- g. a Disclosure Program;
- h. Ineligible Persons screening and removal requirements; and
- i. notification of government investigations and legal proceedings pursuant to Section II.D.

2. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Mississippi Baptist fails to submit the Annual Reports to OIG in accordance with the requirements of Section II.E by the stated deadlines for submission.

3. A Stipulated Penalty of \$1,500 for each day Mississippi Baptist fails to grant access to the information or documentation as required in Section II.G of this CCA. (This Stipulated Penalty shall begin to accrue on the date Mississippi Baptist fails to grant access.)

4. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of Mississippi Baptist as part of its Annual Reports or otherwise required by this CCA.

5. A Stipulated Penalty of \$1,000 for each day Mississippi Baptist fails to comply fully and adequately with any Integrity Requirements of this CCA. OIG shall provide notice to Mississippi Baptist, stating the specific grounds for its determination that Mississippi Baptist has failed to comply fully and adequately with the Integrity Requirement(s) at issue and steps Mississippi Baptist shall take to comply with the Integrity Requirements of this CCA. (This Stipulated Penalty shall begin to accrue 10 days after Mississippi Baptist receives notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-4 of this Section III.A.

B. Timely Written Requests for Extensions. Mississippi Baptist may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CCA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Mississippi Baptist fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this

Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Mississippi Baptist receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that Mississippi Baptist has failed to comply with any of the obligations described in Section III.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Mississippi Baptist of: (a) Mississippi Baptist's failure to comply; and (b) OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. *Response to Demand Letter.* Within 10 days after the receipt of the Demand Letter, Mississippi Baptist shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section III.E. In the event Mississippi Baptist elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Mississippi Baptist cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CCA and shall be grounds for exclusion under Section III.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in Section II.F.

4. *Independence from Material Breach Determination.* Except as set forth in Section III.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that Mississippi Baptist has materially breached this CCA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section III.D, below.

D. Exclusion for Material Breach of this CCA.

1. *Definition of Material Breach.* A material breach of this CCA means:

- a. a failure by Mississippi Baptist to report a Reportable Event, take corrective action, and make the appropriate refunds, as required in Section II.C;
- b. a repeated or flagrant violation of the obligations under this CCA, including, but not limited to, the obligations addressed in Section III.A; or
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section III.C.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this CCA by Mississippi Baptist constitutes an independent basis for Mississippi Baptist's exclusion from participation in the Federal health care programs. Upon a determination by OIG that Mississippi Baptist has materially breached this CCA and that exclusion is the appropriate remedy, OIG shall notify Mississippi Baptist of: (a) Mississippi Baptist's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* Mississippi Baptist shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. Mississippi Baptist is in compliance with the requirements of the CCA cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) Mississippi Baptist has begun to take action to cure the material breach; (ii) Mississippi Baptist is pursuing such action with due diligence; and (iii) Mississippi Baptist has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30-day period, Mississippi Baptist fails to satisfy the requirements of Section III.D.3, OIG may exclude Mississippi Baptist from participation in the Federal health care programs. OIG shall notify Mississippi Baptist in writing of its determination to exclude Mississippi Baptist (this letter shall be referred to as the “Exclusion Letter”). Subject to the Dispute Resolution provisions in Section III.E, below, the exclusion shall go into effect 30 days after the date of Mississippi Baptist’s receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and nonprocurement programs. Reinstatement to program participation is not automatic. After the end of the period of exclusion, Mississippi Baptist may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution.

1. *Review Rights.* Upon OIG’s delivery to Mississippi Baptist of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CCA, Mississippi Baptist shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. §1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CCA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. §§ 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CCA shall be: (a) whether Mississippi Baptist was in full and timely compliance with the requirements of this CCA for which OIG demands payment; and (b) the period of noncompliance. Mississippi Baptist shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CCA and orders Mississippi Baptist to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ

issues such a decision unless Mississippi Baptist requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CCA shall be:

- a. whether Mississippi Baptist was in material breach of this CCA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30-day period, but that: (i) Mississippi Baptist had begun to take action to cure the material breach within that period; (ii) Mississippi Baptist has pursued and is pursuing such action with due diligence; and (iii) Mississippi Baptist provided to OIG within that period a reasonable timetable for curing the material breach and Mississippi Baptist has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Mississippi Baptist, only after a DAB decision in favor of OIG. Mississippi Baptist's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude Mississippi Baptist upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Mississippi Baptist may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Mississippi Baptist shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Mississippi Baptist, Mississippi Baptist shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations.

Consequently, the parties to this CCA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this CCA.

IV. EFFECTIVE AND BINDING AGREEMENT

Mississippi Baptist and OIG agree as follows:

A. This CCA shall be binding on the successors, assigns, and transferees of Mississippi Baptist;

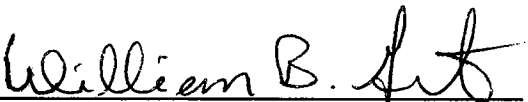

B. This CCA shall become final and binding on the date the final signature is obtained on the CCA;

C. Any modifications to this CCA shall be made with the prior written consent of the parties to this CCA;

D. OIG may agree to a suspension of Mississippi Baptist's obligations under this CCA in the event of Mississippi Baptist's cessation of participation in Federal health care programs. If Mississippi Baptist withdraws from participation in Federal health care programs and is relieved of its CCA obligations by OIG, Mississippi Baptist shall notify OIG at least 30 days in advance of Mississippi Baptist's intent to reapply as a participating provider or supplier with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether the CCA should be reactivated or modified.

E. The undersigned Mississippi Baptist signatory represents and warrants that he is authorized to execute this CCA. The undersigned OIG signatory represents that he is signing this CCA in his official capacity and that he is authorized to execute this CCA.

DECLARATION

The declarants are currently Kurt Metzner, CEO, C. Gerald Cotton, Executive Vice President, Russell York, CFO, and Dr. Eric A. McVey, III, Chief Medical Officer, for Mississippi Baptist and have personal knowledge of the facts stated herein. The following describes the compliance program currently in place at Mississippi Baptist.

1. The annual budget for the Program is attached hereto as Exhibit 1 and Mississippi Baptist shall sustain, at a minimum, the levels of funding reflected therein for three years subsequent to the Effective Date.

2. The Program includes a Compliance Officer who is responsible for developing and implementing policies, procedures, and practices designed to ensure compliance with Federal health care program requirements. The Compliance Officer also is responsible for monitoring the day-to-day compliance activities of Mississippi Baptist. The Compliance Officer is a member of senior management of Mississippi Baptist and is not subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer makes periodic (at least quarterly) reports regarding compliance matters directly to the Board of Trustees of Mississippi Baptist and is authorized to report on such matters to the Board of Trustees at any time.

3. The Program includes a Compliance Committee that is chaired by a member of the Baptist Board of Trustees and that is made up of the Compliance Officer and other members of senior management necessary to support the Compliance Officer in fulfilling his/her responsibilities under the Program (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations).

4. Mississippi Baptist has in place a Code of Ethics and Business Conduct that includes: (a) Mississippi Baptist's commitment to full compliance with all Federal health care program requirements, including its commitment to prepare and submit accurate claims consistent with such requirements; (b) Mississippi Baptist's requirement that all of its personnel are expected to comply with all Federal health care program requirements and with the Policies and Procedures described in Paragraph 5 below; (c) the requirement that all of Mississippi Baptist's personnel are expected to report to the Compliance Officer or other appropriate individual designated by Mississippi Baptist suspected violations of any Federal health care program requirements or of Mississippi Baptist's own Policies and Procedures; (d) the possible consequences to both Mississippi Baptist and its personnel of failure to comply with Federal health care program requirements and with Mississippi Baptist's own Policies and Procedures and the failure to report such noncompliance; and (e) the right of Mississippi Baptist's personnel to use the Disclosure Program described in Paragraph 8 below and Mississippi Baptist's commitment to

nonretaliation and to maintain, as appropriate, confidentiality and anonymity with respect to such disclosures. Each (i) officer, trustee, and employee; and (ii) contractor, subcontractor, agent, and other person who provides patient care items or services or who performs billing or coding functions on behalf of Mississippi Baptist is required to certify in writing that he or she has received, read, understood, and will abide by the Code of Ethics and Business Conduct.

5. Mississippi Baptist has in place Policies and Procedures regarding the operation of the Program and Mississippi Baptist's compliance with Federal health care program requirements, including compliance with the Stark laws and Anti-kickback Statute. The Policies and Procedures are made available to all relevant Mississippi Baptist personnel. At least annually (and more frequently, if appropriate), Mississippi Baptist reviews and updates as necessary its Policies and Procedures and, if revisions are made, makes available the relevant portions of any revised Policies and Procedures to all Mississippi Baptist personnel whose job functions relate to the revised Policies and Procedures.

6. Mississippi Baptist has in place an annual training program that requires all (i) officers, trustees, and employees (excluding housekeeping staff, maintenance and security workers, and food services workers); and (ii) contractors, subcontractors, agents, and other persons who provide patient care items or services (other than medical staff members) or who perform billing or coding functions on behalf of Mississippi Baptist to attend at least one hour of annual compliance training that addresses Mississippi Baptist's Code of Ethics and Business Conduct and the operation of the Program. In addition, Mississippi Baptist will use its best efforts to encourage all of its active medical staff to attend at least one hour of the annual compliance training described above. Mississippi Baptist's annual training program also requires additional hours of training for all employees, contractors, subcontractors, agents, and other persons who provide patient care items or services or who perform billing, coding, or claims submission functions on behalf of Mississippi Baptist. Such additional training addresses: (a) the Federal health care program requirements regarding the accurate coding and submission of claims; (b) policies, procedures, and other requirements applicable to the documentation of medical records; (c) the personal obligation of each individual involved in the claims submission process to ensure that such claims are accurate; (d) applicable reimbursement statutes, regulations, and program requirements and directives; (e) the legal sanctions for violations of Federal health care program requirements; (f) examples of proper and improper claims submission practices; and (g) compliance with the Stark laws and Anti-Kickback Statute, as appropriate to the individual's job responsibilities. Mississippi Baptist maintains written or electronic records that identify the type of annual training provided, the date(s) of the training, and the attendees. Persons providing the training are knowledgeable about the subject area. Mississippi Baptist reviews the training content on an annual basis and, as appropriate, updates the training to reflect changes in Federal health care program requirements and/or any issues discovered during the internal audits described in Paragraph 7 below. Notwithstanding the above, the training program does

not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours per year on behalf Mississippi Baptist, except that any such individuals are trained if they work more than 160 hours during the calendar year.

7. Mississippi Baptist has in place a compliance department that performs periodic reviews to monitor Mississippi Baptist's compliance with Federal health care program requirements, including focused reviews relating to specific risk areas identified by the OIG and/or through the Program. Mississippi Baptist's compliance policies and procedures require that all contracts entered into by Mississippi Baptist and its corporate subsidiaries must go through a Board of Trustee approved Contract Approval Process. Some additional rules apply to Physician Contracts. To enforce the Contract Approval Process, all contracts must have both a financial and legal review. To receive financial and legal review, a "Contract Information and Approval Sheet" must be completed and signed by the Vice President and submitted to the Legal Department. As part of the approval process, the OIG excluded persons database must be checked to ensure that the contracting parties are not in the database as excluded persons. Prior to the execution of the contract, the "Contract Information and Approval Sheet" must be approved by the CFO and General Counsel. Contracts with Physicians (and other potential referral sources) must have Board approval. The Board has given its approval for routine Physician Contracts that the Mississippi Baptist Compliance Program Physician Issues Standards. Such routine contracts include: Medical Office Space Leases, Physician Recruitment Agreements, and Professional Services Contracts and Management Services Agreements. The Mississippi Baptist Compliance Program Physician Issue Standards require that standard Physician Contracts be on the form approved by the Board and that fair market value be documented through use of objective third party data. The form of the Agreements that have been approved by the Board were initially prepared by outside counsel or were prepared by the General Counsel and reviewed by outside counsel. In addition, Mississippi Baptist relies on an outside accounting firm, to work in conjunction with the Compliance Officer, to review physician arrangements to ensure that Board of Trustee guidelines are satisfied. All of the Physician contracts are placed on the Meditract System which is an internet-based database that provides e-mail alerts to both legal and financial personnel.

8. Mississippi Baptist maintains a Disclosure Program that includes a mechanism to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual's chain of command, any identified issues or questions associated with Mississippi Baptist's policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Mississippi Baptist publicizes the existence of the disclosure mechanism to all personnel.

The Disclosure Program emphasizes a nonretribution, nonretaliation policy and includes a reporting mechanism for anonymous communications for which appropriate confidentiality is maintained. Each disclosure is reviewed by the Compliance Officer, who either investigates the disclosure or refers the disclosure to the relevant department or manager for follow up and any appropriate corrective action.

The Compliance Officer (or designee) maintains a disclosure log, which includes a record and summary of each disclosure received (whether anonymous or not), the status of Mississippi Baptist's internal review of the allegations, and any corrective action taken in response to the internal review.

9. Mississippi Baptist has in place a policy and procedure for screening all prospective officers, trustees, employees, contractors, and agents to ensure that they are not Ineligible Persons¹ by: (a) requiring such persons to disclose whether they are an Ineligible Person; and (b) appropriately querying the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://epls.arnet.gov>) and the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://oig.hhs.gov>) (these lists shall hereinafter be referred to as the "Exclusion Lists"). Mississippi Baptist also performs annual screening of its current officers, trustees, employees, contractors, and agents against the Exclusion Lists and requires all officers, trustees, employees, contractors, and agents to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Mississippi Baptist also has a policy in place that, if Mississippi Baptist has actual notice that an officer, trustee, employee, contractor, or agent has become an Ineligible Person, Mississippi Baptist will remove such person from responsibility for, or involvement with, Mississippi Baptist's business operations related to the Federal health care programs and will remove such person from any position for which the person's compensation or items or services furnished, ordered, or prescribed by the person are paid in whole or in part, directly or indirectly, by Federal health care programs or otherwise with Federal funds, at least until such time as the person is reinstated into participation in the Federal health care programs. (Nothing in this Declaration affects the responsibility of Mississippi Baptist to refrain from billing Federal health care programs for items or services furnished, ordered, or prescribed by excluded individuals or Mississippi Baptist's liability for overpayments received by Mississippi Baptist as a result of billing any Federal health care program for such items or services.)

1. An "Ineligible Person" is an individual or entity who: (i) is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or (ii) has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

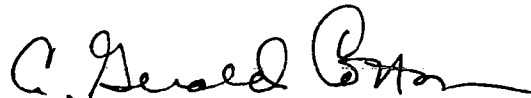

The undersigned signatories represent and warrant that they are authorized to execute this declaration on behalf of Mississippi Baptist.

We declare under penalty of perjury that the foregoing is true and correct.

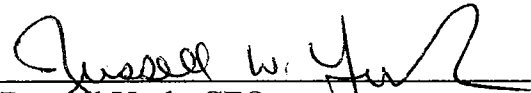

Executed on this 6th day of November 2006.
