

**CORPORATE INTEGRITY AGREEMENT
BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
SAINT JOSEPH'S HOSPITAL OF ATLANTA, INC. AND
SAINT JOSEPH'S HEALTH SYSTEM, INC.**

I. PREAMBLE

Saint Joseph's Hospital of Atlanta, Inc. (SJHA) and Saint Joseph's Health System, Inc. (collectively, "SJHS") hereby enter into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). Unless otherwise specifically defined, all references in this CIA to SJHS shall by definition exclude: Saint Joseph's Mercy Foundation, Inc.; Saint Joseph's Mercy Care Services, Inc.; Mercy Senior Care, Inc., Saint Joseph's Research Institute, Inc.; Saint Joseph's Service Corporation; The Medical Group of Saint Joseph's, LLC; and Saint Joseph Real Estate Management Corporation (collectively, the "Non-Covered SJHS Entities"). Contemporaneously with this CIA, SJHS is entering into a Settlement Agreement with the United States.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by SJHS under this CIA shall be five years from the effective date of this CIA, unless otherwise specified. The effective date shall be the date on which the final signatory of this CIA executes this CIA (Effective Date). Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a "Reporting Period."

B. Sections VII, IX, X, and XI shall expire no later than 120 days after OIG's receipt of: (1) SJHS's final annual report; or (2) any additional materials submitted by SJHS pursuant to OIG's request, whichever is later.

C. The scope of this CIA shall be governed by the following definitions:

1. "Covered Persons" includes:

- a. all trustees, officers, directors, and employees of SJHS, excluding housekeeping staff, dietary employees, facility support staff, and maintenance personnel;
- b. all contractors, subcontractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of SJHS, excluding vendors whose sole connection with SJHS is selling or otherwise providing medical equipment or supplies to SJHS; and
- c. non-employee physicians who are members of the active medical staff at SJHA.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours per year, except that any such individuals shall become "Covered Persons" at the point when they work more than 160 hours during the calendar year.

Notwithstanding the above, "Covered Persons" does not include the Non-Covered SJHS Entities, or any employees, agents, contractors, or subcontractors thereof, except that all such employees, agents, contractors, and subcontractors of the Non-Covered SJHS Entities who provide patient care items or services for SJHA patients or who provide billing or coding functions relating to SJHA patients shall be "Covered Persons."

2. "Relevant Billing Covered Persons" includes Covered Persons involved in the preparation or submission of claims or cost reports for reimbursement from any Federal health care program.

3. "Relevant Clinical Covered Persons" includes Covered Persons involved in the delivery of patient care items or services.

4. "Care Management Covered Persons" includes Covered Persons who work in or for an SJHS Care Management Department and who are involved in Care Management or Utilization Review functions relating to inpatient admission or discharge decisions.

5. "Pre-Existing Contractors." The term "Pre-Existing Contractors" refers to Covered Persons who are independent contractors with whom SJHS has an existing contract on the Effective Date of this CIA that has not been renewed or modified after the Effective Date. Once SJHS renegotiates, modifies, or renews a contract with a Pre-Existing Contractor, that contractor ceases to be a Pre-Existing Contractor as that term is used for the purposes of this CIA, and SJHS shall have full responsibility for the certification and training compliance obligations as pertaining to that contractor.

III. CORPORATE INTEGRITY OBLIGATIONS

SJHS shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Officer and Committee.

1. *Compliance Officer.* SJHS has appointed, and shall maintain during the term of this CIA, an individual to serve as its Chief Compliance Officer. The Chief Compliance Officer shall be responsible for developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with Federal health care program requirements. The Chief Compliance Officer shall be a member of senior management of SJHS, shall make periodic (at least quarterly) reports regarding compliance matters directly to the Board of Trustees of SJHS, and shall be authorized to report on such matters to the Board of Trustees at any time. The Chief Compliance Officer shall not be or be subordinate to the General Counsel or Chief Financial Officer. The Chief Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by SJHS as well as for any reporting obligations created under this CIA.

SJHS shall report to OIG, in writing, any changes in the identity or position description of the Chief Compliance Officer, or any actions or changes that would affect

the Chief Compliance Officer's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

2. *Compliance Committee.* SJHS has established, and for the term of this CIA shall maintain, a Corporate Responsibility Committee (Compliance Committee). The Compliance Committee shall, at a minimum, include the Chief Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations), and shall also include at least one Board of Trustees member who is not an employee of SJHS. The Chief Compliance Officer shall chair the Compliance Committee and the Committee shall support the Chief Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the organization's risk areas and shall oversee monitoring of internal and external audits and investigations).

SJHS shall report to OIG, in writing, any changes in the composition of the Compliance Committee, or any actions or changes that would affect the Compliance Committee's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

B. Written Standards.

1. *Code of Conduct.* SJHS has developed, implemented, and distributed written Standards of Conduct (Code of Conduct) to all Covered Persons, and shall maintain a Code of Conduct for the term of the CIA. SJHS shall make the promotion of, and adherence to, the Code of Conduct an element in evaluating the performance of all employees. The Code of Conduct shall, at a minimum, set forth:

- a. SJHS's commitment to full compliance with all Federal health care program requirements, including its commitment to prepare and submit accurate claims consistent with such requirements;
- b. SJHS's requirement that all of its Covered Persons shall be expected to comply with all Federal health care program requirements and with SJHS's own Policies and Procedures as implemented pursuant to Section III.B (including the requirements of this CIA);

- c. the requirement that all of SJHS' s Covered Persons shall be expected to report to the Chief Compliance Officer, or other appropriate individual designated by SJHS, suspected violations of any Federal health care program requirements or of SJHS' s own Policies and Procedures;
- d. the possible consequences to both SJHS and Covered Persons of failure to comply with Federal health care program requirements and with SJHS' s own Policies and Procedures and the failure to report such noncompliance; and
- e. the right of all individuals to use the Disclosure Program described in Section III.E, and SJHS' s commitment to nonretaliation and to maintain, as appropriate, confidentiality and anonymity with respect to such disclosures.

Within 90 days after the Effective Date, each Covered Person shall certify, in writing, that he or she has received, read, understood, and shall abide by SJHS' s Code of Conduct. New Covered Persons shall receive the Code of Conduct and shall complete the required certification within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later.

SJHS shall periodically review the Code of Conduct to determine if revisions are appropriate and shall make any necessary revisions based on such review. Any revised Code of Conduct shall be distributed within 30 days after any revisions are finalized. Each Covered Person shall certify, in writing (electronically or otherwise), that he or she has received, read, understood, and shall abide by the revised Code of Conduct within 30 days after the distribution of the revised Code of Conduct.

2. Policies and Procedures. Within 90 days after the Effective Date, SJHS shall implement written Policies and Procedures regarding the operation of SJHS' s compliance program and its compliance with Federal health care program requirements. At a minimum, the Policies and Procedures shall address:

- a. the subjects relating to the Code of Conduct identified in Section III.B.1;

b. billing and reimbursement: these Policies and Procedures shall be designed to ensure SJHS complies with all Federal health care program requirements on billing and reimbursement, including:

(i) ensuring proper and accurate submission of claims and cost reports to Federal health care programs;

(ii) ensuring the proper and accurate documentation of medical records;

(iii) ensuring the proper and accurate assignment and designation of patients into inpatient, outpatient, or observation status; and

(iv) ensuring the necessary and appropriate length of stays and timely discharges for all patients, including but not limited to patients discharged to a skilled nursing facility.

Within 90 days after the Effective Date, the relevant portions of the Policies and Procedures shall be distributed to all individuals whose job functions relate to those Policies and Procedures. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

At least annually (and more frequently, if appropriate), SJHS shall assess and update, as necessary, the Policies and Procedures. Within 30 days after the effective date of any revisions, the relevant portions of any such revised Policies and Procedures shall be distributed to all individuals whose job functions relate to those Policies and Procedures.

C. Training and Education.

1. *General Training.* Within 90 days after the Effective Date, SJHS shall provide at least two hours of General Training to each Covered Person. This training, at a minimum, shall explain SJHS' s:

a. CIA requirements; and

b. SJHS' s Compliance Program (including the Code of Conduct and the Policies and Procedures as they pertain to general compliance issues).

New Covered Persons shall receive the General Training described above within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later. After receiving the initial General Training described above, each Covered Person shall receive at least one hour of General Training in each subsequent Reporting Period.

For purposes of the General Training requirements, if SJHS provided training on its Compliance Program that satisfies the requirements set forth in Section III.C.1.b, above, to Covered Persons within 60 days prior to the Effective Date, then OIG will credit that training for purposes of satisfying the applicable part of SJHS' s General Training obligations for the first Reporting Period of the IA.

2. *Specific Training.*

a. Billing and Reimbursement Training. Within 90 days after the Effective Date, each Relevant Billing Covered Person shall receive at least three hours of Billing and Reimbursement Specific Training in addition to the General Training required above. This Specific Training shall include a discussion of:

- i. the Federal health care program requirements regarding the accurate coding and submission of claims;
- ii. policies, procedures, and other requirements applicable to the documentation of medical records;
- iii. the personal obligation of each individual involved in the claims submission process to ensure that such claims are accurate;
- iv. applicable reimbursement statutes, regulations, and program requirements and directives;

v. the legal sanctions for violations of the Federal health care program requirements; and

vi. examples of proper and improper claims submission practices.

b. Documentation Training. Within 90 days after the Effective Date, each Relevant Clinical Covered Person shall receive at least two hours of Documentation Specific Training in addition to the General Training required above. This Specific Training shall include a discussion of:

i. policies, procedures, and other Federal health care program requirements applicable to the documentation of medical records;

ii. the importance of accurate documentation in the billing and coding and reimbursement process;

iii. the personal obligation of each individual involved in the medical documentation process to ensure that such documentation is accurate;

iv. the legal sanctions for violations of the Federal health care program requirements; and

v. examples of proper and improper medical documentation practices.

Relevant Billing Covered Persons who are also Relevant Clinical Covered Persons shall undergo both Billing and Reimbursement Specific Training and Documentation Specific Training.

c. Care Management Training. Within 90 days after the Effective Date, each Care Management Covered Person shall receive at least two hours of Care Management Training in addition to the Billing and Reimbursement Training and the General Training required

above. This Care Management Training shall include a discussion of:

- i. the Admit to Case Management/Utilization Review Protocol, or any other comparable protocol in effect at SJHS for determining the medical necessity and appropriateness of inpatient admissions, including applicable Medicare rules and regulations; and
- ii. the role and function of the Utilization Review Committee.

New Relevant Billing Covered Persons, new Relevant Clinical Covered Persons, and new Care Management Covered Persons shall receive this training, as appropriate to their responsibilities, within 30 days after the beginning of their employment or becoming new Relevant Billing Covered Persons, new Relevant Clinical Covered Persons, or new Care Management Covered Persons, or within 90 days after the Effective Date, whichever is later. Each new Relevant Billing Covered Person, new Relevant Clinical Covered Person, and new Care Management Covered Person shall have his or her work reviewed by an SJHS employee who has completed the Specific Training, to the extent that the work relates to (i) the delivery of patient care items or services, (ii) the preparation or submission of claims or cost reports for reimbursement from any Federal health care program, or (iii) any Care Management or Utilization Review function, until such time as the new Relevant Billing Covered Person, new Relevant Clinical Covered Person, or new Care Management Covered Person completes his or her Specific Training as required above.

After receiving the initial Specific Training described in this Section, each Relevant Billing Covered Person shall receive at least two hours of Billing and Reimbursement Specific Training in each subsequent Reporting Period, each Relevant Clinical Covered Person shall receive at least one and a half hours of Documentation Specific Training in each subsequent Reporting Period, and each New Care Management Covered Person shall receive at least two hours of Care Management Training in each subsequent Reporting Period.

d. Care Management Certification. Prior to entering into this CIA, SJHS established requirements for Care Management employees, and SJHS will maintain those requirements, as described in this paragraph, for the term of this CIA. In addition to receiving the

General and Specific Training described above, each Care Management Covered Person must be a graduate of an accredited school of nursing and must have and for the term of this CIA maintain a current license as a registered professional nurse in Georgia. Within one year of becoming eligible, each Care Management Covered Person shall also obtain, and for the term of this CIA shall maintain, a current certification as either:

- i. Accredited Case Manager;
- ii. Certified Case Manager; or
- iii. Any other comparable accreditation or certification program approved by SJHS.

3. *Certification.* Each individual who is required to attend training shall certify, in writing, or in electronic form, if applicable, that he or she has received the required training. The certification shall specify the type of training received and the date received. The Chief Compliance Officer (or designee) shall retain the certifications, along with all course materials. These shall be made available to OIG, upon request.

4. *Qualifications of Trainer.* Persons providing the training shall be knowledgeable about the subject area.

5. *Update of Training.* SJHS shall review the training annually, and, where appropriate, update the training to reflect changes in Federal health care program requirements, any issues discovered during internal audits or the Claims Review, Unallowable Costs Review, and any other relevant information.

6. *Computer-based Training.* SJHS may provide the training required under this CIA through appropriate computer-based training approaches. If SJHS chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

7. *Exception for Non-Employee Physicians Who Are Members of the Active Medical Staff.* Notwithstanding any other provision of this CIA, SJHS shall make the General Training and the Specific Training, where appropriate, available to all non-

employee physicians who are members of the active medical staff at SJHA, and shall use its best efforts to encourage and obtain such physicians' attendance and participation. The Chief Compliance Officer shall maintain records of the names and percentage of all such physicians who attend the training, and shall include such percentages in each Implementation and Annual Report to the OIG.

8. *Exception for Pre-Existing Contractors.* SJHS shall attempt to renegotiate contracts with Pre-Existing Contractors to require such contractors to meet all of the certification and training requirements of this CIA. SJHS shall make General Training as appropriate to job responsibilities available to all Pre-Existing Contractors. SJHS shall use its best efforts to encourage Pre-Existing Contractors attendance and participation. The Chief Compliance Officer shall maintain records of the names and percentage of all Pre-Existing Contractors who do and do not attend such training, and shall include such percentages in each Implementation and Annual Report to the OIG. Such records shall also be available for inspection by OIG.

D. Review Procedures.

1. *General Description.*

a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, SJHS shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter "Independent Review Organization" or "IRO"), to perform reviews to assist SJHS in assessing and evaluating the medical necessity and appropriateness of inpatient admissions and certain other obligations pursuant to this CIA and the Settlement Agreement. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

Each IRO engaged by SJHS shall have expertise in the rules and regulations governing inpatient admissions of patients covered by Medicare and other requirements applicable to SJHS and in the general requirements of the Federal health care program(s) from which SJHS seeks reimbursement. Each IRO shall assess, along with SJHS, whether it can perform the IRO review in a professionally independent and objective fashion, as appropriate to

the nature of the engagement, taking into account any other business relationships or other engagements that may exist.

The IRO's review shall evaluate and analyze SJHA's in-patient admissions, relevant length of stays (as identified in Section A.1.c. of Appendix B), and associated billings to and reimbursements from Medicare and determine if such admissions and lengths of stays were medically necessary and appropriate under the applicable Medicare rules and regulations governing inpatient admission, treatment, discharge, billing, and reimbursement (Inpatient Medical Necessity and Appropriateness Review). The IRO shall also analyze whether SJHS sought payment for certain unallowable costs (Unallowable Costs Review).

b. *Frequency of Inpatient Medical Necessity and Appropriateness Review.* The Inpatient Medical Necessity and Appropriateness Review shall be performed annually and shall cover each of the Reporting Periods. The IRO(s) shall perform all components of each annual Inpatient Medical Necessity and Appropriateness Review.

c. *Frequency of Unallowable Costs Review.* If applicable, an IRO shall perform the Unallowable Costs Review for the first Reporting Period.

d. *Retention of Records.* The IRO and SJHS shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and SJHS) related to the reviews.

2. *Inpatient Medical Necessity and Appropriateness Review.* The Inpatient Medical Necessity and Appropriateness Review shall include a Discovery Sample and, if necessary, a Full Sample. The applicable definitions, procedures, and reporting requirements are outlined in Appendix B to this CIA, which is incorporated by reference.

a. *Discovery Sample.* The IRO shall randomly select and review two samples each of 50 Inpatient Admission Paid Claims (as defined in Appendix B) submitted by or on behalf of SJHA (Discovery Sample). Discovery Sample 1 shall be comprised of 50 Inpatient

Admission Paid Claims from the One-Day Stays (as defined in Appendix B). Discovery Sample 2 shall be comprised of 50 Inpatient Admission Paid Claims drawn from the remaining five categories of Stays, as defined in Appendix B.

The Inpatient Admission Paid Claims shall be reviewed based on the supporting documentation available at SJHS' s offices or under SJHS' s control and applicable admission and length of stay criteria and billing and coding regulations and guidance to determine whether the Inpatient Admission Paid Claim was correctly categorized, coded, submitted, and reimbursed as an inpatient admission or whether the patient should have been treated and billed to Medicare on an outpatient basis, and, for Three-Day SNF Stays, whether the length of stay was appropriate and reimbursable.

i. If the Error Rate (as defined in Appendix B) for either Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, SJHS should, as appropriate, further analyze any errors identified in the Discovery Sample. SJHS recognizes that OIG or another HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Inpatient Admission Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

ii. If either Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall perform a Full Sample and a Systems Review, as described below.

b. *Full Sample.* If necessary, as determined by procedures set forth in Section III.D.2.a, the IRO shall select an additional sample of Inpatient Admission Paid Claims using commonly accepted sampling methods and in accordance with Appendix B. The Full Sample shall be designed to: (1) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (2) conform with

the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Inpatient Admission Paid Claims selected for the Full Sample shall be reviewed based on supporting documentation available at SJHS' s office or under SJHS' s control and applicable admission criteria and billing and coding regulations and guidance to determine whether the claim was correctly categorized, coded, submitted, and reimbursed as an inpatient admission, or whether the patient should have been treated and billed to Medicare on an outpatient basis. For purposes of calculating the size of the Full Sample, the applicable Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, SJHS may use the Items sampled as part of the applicable Discovery Sample, and the corresponding findings for those 50 Items, as part of its Full Sample, if: (1) statistically appropriate and (2) SJHS selects the Full Sample Items using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from SJHS to the appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

If Discovery Sample 1 identifies an error rate of 5% or greater, then the population of Paid Claims to be selected for the Full Review shall be limited to Paid Claims from the One-Day Stays. If Discovery Sample 2 identifies an error rate of 5% or greater, than the population of Paid Claims for the Full Review shall be limited to all categories of Stays except the One-Day Stays. If both Discovery Samples result in an error rate of 5% or greater, than two Full Samples shall be performed, using the limitations on Paid Claims described in this Paragraph.

c. *Systems Review.* If SJHS' s Discovery Sample identifies an Error Rate of 5% or greater, SJHS' s IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall perform a "walk through" of the system(s) and process(es), that generated the claim to identify any problems or weaknesses that may have resulted

in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

For the first Reporting Period, regardless of the Error Rate, the IRO shall conduct a Systems Review of SJHA's Admit to Case Management/Utilization Review Protocol, or any other comparable protocol in effect at SJHS for determining the medical necessity and appropriateness of inpatient admissions, in the first Reporting Period, and shall include its findings in the Inpatient Medical Necessity And Appropriateness Review Report, as specified in Appendix B.

d. *Repayment of Identified Overpayments.* In accordance with Section III.H.1, SJHS shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. SJHS shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor.

3. *Inpatient Medical Necessity and Appropriateness Review Report.* The IRO shall prepare a report based upon the Inpatient Medical Necessity and Appropriateness Review performed (Inpatient Medical Necessity and Appropriateness Review Report). Information to be included in the Inpatient Medical Necessity and Appropriateness Review Report is described in Appendix B.

4. *Unallowable Costs Review.* The IRO shall conduct a review of SJHS's compliance with the unallowable costs provisions of the Settlement Agreement. The IRO shall determine whether SJHS has complied with its obligations not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the Settlement Agreement) and its obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from the United States, or any state Medicaid program. This unallowable costs analysis shall include, but not be limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by SJHS or any affiliates. To the extent that such cost reports, cost statements, information reports, or payment requests, even if already settled, have been adjusted to account for the effect of the inclusion of the unallowable costs, the IRO shall determine if such adjustments were proper. In making

this determination, the IRO may need to review cost reports and/or financial statements from the year in which the Settlement Agreement was executed, as well as from previous years.

5. *Unallowable Costs Review Report.* The IRO shall prepare a report based upon the Unallowable Costs Review performed. The Unallowable Costs Review Report shall include the IRO's findings and supporting rationale regarding the Unallowable Costs Review and whether SJHS has complied with its obligation not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the Settlement Agreement) and its obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from such payor.

6. *Validation Review.* In the event OIG has reason to believe that: (a) SJHS's Inpatient Medical Necessity and Appropriateness Review or Unallowable Costs Review fails to conform to the requirements of this CIA; or (b) the IRO's findings or Inpatient Medical Necessity and Appropriateness Review results or Unallowable Costs Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Inpatient Medical Necessity and Appropriateness Review or Unallowable Costs Review complied with the requirements of the CIA and/or the findings or Inpatient Medical Necessity and Appropriateness Review results or Unallowable Costs Review results are inaccurate (Validation Review). SJHS shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of Reports submitted as part of SJHS's final Annual Report shall be initiated no later than one year after SJHS's final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify SJHS of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, SJHS may request a meeting with OIG to: (a) discuss the results of any Inpatient Medical Necessity and Appropriateness Review or Unallowable Costs Review submissions or findings; (b) present any additional information to clarify the results of the Inpatient Medical Necessity and Appropriateness Review or Unallowable Costs Review or to correct the inaccuracy of the Inpatient Medical Necessity and Appropriateness Review or Unallowable Costs Review; and/or (c) propose alternatives to the proposed Validation Review. SJHS agrees to provide any additional information as may be requested by OIG under this Section III.D.6 in an expedited manner. OIG will attempt in good faith to resolve any Inpatient Medical Necessity and Appropriateness Review or Unallowable Costs Review issues with SJHS

prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

7. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to SJHS a certification or sworn affidavit that it has evaluated its professional independence and objectivity, as appropriate to the nature of the engagement, with regard to the Inpatient Medical Necessity and Appropriateness Review or Unallowable Costs Review and that it has concluded that it is, in fact, independent and objective.

E. Disclosure Program.

SJHS has established and for term of this CIA shall maintain a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Chief Compliance Officer or some other person who is not in the disclosing individual's chain of command, any identified issues or questions associated with SJHS's policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. SJHS shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Chief Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Chief Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably:

- (1) permits a determination of the appropriateness of the alleged improper practice; and
- (2) provides an opportunity for taking corrective action, SJHS shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Chief Compliance Officer (or designee) shall maintain a disclosure log, which shall include a record and summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in

response to the internal reviews. The disclosure log shall be made available to OIG upon request.

F. Ineligible Persons.

1. *Definitions.* For purposes of this CIA:

- a. an "Ineligible Person" shall include an individual or entity who:
 - i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or
 - ii. has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.
- b. "Exclusion Lists" include:
 - i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://www.oig.hhs.gov>); and
 - ii. the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://www.epls.gov>).
- c. "Screened Persons" include prospective and current owners, officers, directors, employees, contractors, and agents of SJHS.

2. *Screening Requirements.* SJHS shall ensure that all Screened Persons are not Ineligible Persons, by implementing the following screening requirements.

- a. SJHS shall screen all Screened Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such Screened Persons to disclose whether they are Ineligible Persons.

b. SJHS shall screen all Screened Persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.

c. SJHS shall implement a policy requiring all Screened Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Nothing in this Section affects the responsibility of (or liability for) SJHS to refrain from billing Federal health care programs for items or services furnished, ordered, or prescribed by an Ineligible Person. SJHS understands that items or services furnished by excluded persons are not payable by Federal health care programs and that SJHS may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether SJHS meets the requirements of Section III.F.

3. *Removal Requirement.* If SJHS has actual notice that a Screened Person has become an Ineligible Person, SJHS shall remove such Screened Person from responsibility for, or involvement with, SJHS's business operations related to the Federal health care programs and shall remove such Screened Person from any position for which the Screened Person's compensation or the items or services furnished, ordered, or prescribed by the Screened Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Screened Person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If SJHS has actual notice that a Screened Person is charged with a criminal offense that falls within the ambit of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Screened Person's employment or contract term or, in the case of a physician, during the term of the physician's medical staff privileges, SJHS shall take all appropriate actions to ensure that the responsibilities of that Screened Person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings.

Within 30 days after discovery, SJHS shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to SJHS conducted or brought by a governmental entity or its agents involving an allegation that SJHS has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. SJHS shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any.

H. Reporting.

1. *Overpayments.*

a. *Definition of Overpayments.* For purposes of this CIA, an "Overpayment" shall mean the amount of money SJHS has received in excess of the amount due and payable under any Federal health care program requirements.

b. *Reporting of Overpayments.* If, at any time, SJHS identifies or learns of any Overpayment, SJHS shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment, SJHS shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified, within 30 days after identification, SJHS shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies, and, for Medicare contractors, shall include the information contained on the Overpayment Refund Form, provided as Appendix C to this CIA. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the

payor should be handled in accordance with such policies and procedures.

2. *Reportable Events.*

a. *Definition of Reportable Event.* For purposes of this CIA, a "Reportable Event" means anything that involves:

- i. a substantial Overpayment;
- ii. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized; or
- iii. the filing of a bankruptcy petition by SJHS.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. *Reporting of Reportable Events.* If SJHS determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, SJHS shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

- i. If the Reportable Event results in an Overpayment, the report to OIG shall be made at the same time as the notification to the payor required in Section III.H.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor's name, address, and contact person to whom the Overpayment was sent; and

(B) the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;

ii. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;

iii. a description of SJHS's actions taken to correct the Reportable Event; and

iv. any further steps SJHS plans to take to address the Reportable Event and prevent it from recurring.

v. If the Reportable Event involves the filing of a bankruptcy petition, the report to the OIG shall include documentation of the filing and a description of any Federal health care program authorities implicated.

IV. NEW BUSINESS UNITS OR LOCATIONS

In the event that, after the Effective Date, SJHS changes locations or sells, closes, purchases, or establishes a new business unit or location related to the furnishing of items or services that may be reimbursed by Federal health care programs, SJHS shall notify OIG of this fact as soon as possible, but no later than within 30 days after the date of change of location, sale, closure, purchase, or establishment. This notification shall include the address of the new business unit or location, phone number, fax number, Medicare Provider number, provider identification number and/or supplier number, and the corresponding contractor's name and address that has issued each Medicare number. Each new business unit or location shall be subject to all the requirements of this CIA.

3. SJHS has complied with its obligations under the Settlement Agreement: (a) not to resubmit to any Federal health care program payors any previously denied claims related to the Covered Conduct addressed in the Settlement Agreement, and not to appeal any such denials of claims; (b) not to charge to or otherwise seek payment from federal or state payors for unallowable costs (as defined in the Settlement Agreement); and (c) to identify and adjust any past charges or claims for unallowable costs;

D. Designation of Information. SJHS shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. SJHS shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine or request copies of SJHS' s books, records, and other documents and supporting materials and/or conduct on-site reviews of any of SJHS' s locations for the purpose of verifying and evaluating: (a) SJHS' s compliance with the terms of this CIA; and (b) SJHS' s compliance with the requirements of the Federal health care programs in which it participates. The documentation described above shall be made available by SJHS to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of SJHS' s employees, contractors, or agents who consent to be

interviewed at the individual's place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. SJHS shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG's request. SJHS's employees may elect to be interviewed with or without a representative of SJHS present.

VIII. DOCUMENT AND RECORD RETENTION

SJHS shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs, or to compliance with this CIA, for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify SJHS prior to any release by OIG of information submitted by SJHS pursuant to its obligations under this CIA and identified upon submission by SJHS as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, SJHS shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

SJHS is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, SJHS and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as "Stipulated Penalties") in accordance with the following provisions.

1. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day SJHS fails to establish and implement any of the following obligations as described in Section III:

- a. a Compliance Officer;
- b. a Compliance Committee;

- c. a written Code of Conduct;
- d. written Policies and Procedures;
- e. the training of Covered Persons;
- f. a Disclosure Program;
- g. Ineligible Persons screening and removal requirements; and
- h. notification of Government investigations or legal proceedings.

2. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day SJHS fails to engage an IRO, as required in Section III.D and Appendix A.

3. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day SJHS fails to submit the Implementation Report or any Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day SJHS fails to submit the annual Inpatient Medical Necessity and Appropriateness Review or Unallowable Costs Review Report in accordance with the requirements of Section III.D and Appendix B.

5. A Stipulated Penalty of \$1,500 for each day SJHS fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date SJHS fails to grant access.)

6. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of SJHS as part of its Implementation Report, Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of \$1,000 for each day SJHS fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to SJHS stating the specific grounds for its determination that SJHS has failed to comply fully and

adequately with the CIA obligation(s) at issue and steps SJHS shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after SJHS receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions. SJHS may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after SJHS fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after SJHS receives OIG's written denial of such request or the original due date, whichever is later.

A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that SJHS has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify SJHS of: (a) SJHS's failure to comply; and (b) OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. *Response to Demand Letter.* Within 10 days after the receipt of the Demand Letter, SJHS shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event SJHS elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until SJHS cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in Section VI.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that SJHS has materially breached this CIA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA.

1. *Definition of Material Breach.* A material breach of this CIA means:

- a. a failure by SJHS to report a Reportable Event, take corrective action, and make the appropriate refunds, as required in Section III.H;
- b. a repeated or flagrant violation of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to engage and use an IRO in accordance with Section III.D.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this CIA by SJHS constitutes an independent basis for SJHS's exclusion from participation in the Federal health care programs. Upon a determination by OIG that SJHS has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify SJHS of: (a) SJHS's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* SJHS shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. SJHS is in compliance with the obligations of the CIA cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) SJHS has begun to take action to cure the material breach; (ii) SJHS is pursuing such action with due diligence; and (iii) SJHS has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30-day period, SJHS fails to satisfy the requirements of Section X.D.3, OIG may exclude SJHS from participation in the Federal health care programs. OIG shall notify SJHS in writing of its determination to exclude SJHS (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of SJHS's receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and nonprocurement programs. Reinstatement to program participation is not automatic. After the end of the period of exclusion, SJHS may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. *Review Rights.* Upon OIG's delivery to SJHS of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, SJHS shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the

request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether SJHS was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. SJHS shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders SJHS to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless SJHS requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be:

- a. whether SJHS was in material breach of this CIA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30-day period, but that: (i) SJHS had begun to take action to cure the material breach within that period; (ii) SJHS has pursued and is pursuing such action with due diligence; and (iii) SJHS provided to OIG within that period a reasonable timetable for curing the material breach and SJHS has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for SJHS, only after a DAB decision in favor of OIG. SJHS's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude SJHS upon the issuance of an ALJ's

decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that SJHS may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. SJHS shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of SJHS, SJHS shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this CIA.

XI. EFFECTIVE AND BINDING AGREEMENT

SJHS and OIG agree as follows:

- A. This CIA shall be binding on the successors, assigns, and transferees of SJHS;
- B. This CIA shall become final and binding on the date the final signature is obtained on the CIA;
- C. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA;
- D. OIG may agree to a suspension of SJHS's obligations under the CIA in the event of SJHS's cessation of participation in Federal health care programs. If SJHS withdraws from participation in Federal health care programs and is relieved of its CIA obligations by OIG, SJHS shall notify OIG at least 30 days in advance of SJHS's intent to reapply as a participating provider or supplier with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether the CIA should be reactivated or modified.
- E. The undersigned SJHS signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatory represents that he is signing this CIA in his official capacity and that he is authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

3. assign individuals to conduct the coding review portions of the Inpatient Medical Necessity And Appropriateness Review who have a nationally recognized coding certification (e.g., CCA, CCS, CCS-P, CPC, RRA, etc.) and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities.

The IRO shall:

1. perform each Inpatient Medical Necessity And Appropriateness Review and Unallowable Costs Review in accordance with the specific requirements of the CIA;
2. follow all applicable Medicare rules and reimbursement guidelines in making assessments in the Inpatient Medical Necessity And Appropriateness Review;
3. if in doubt of the application of a particular Medicare policy or regulation, request clarification from the appropriate authority (e.g., fiscal intermediary or carrier);
4. respond to all OIG inquires in a prompt, objective, and factual manner; and
5. prepare timely, clear, well-written reports that include all the information required by Appendix B.

D. IRO Independence and Objectivity.

The IRO must perform the Inpatient Medical Necessity And Appropriateness Review and Unallowable Costs Review in a professionally independent and objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and SJHS.

E. IRO Removal/Termination.

1. *Provider.* If SJHS terminates its IRO during the course of the engagement, SJHS must submit a notice explaining its reasons to OIG no later than 30 days after termination. SJHS must engage a new IRO in accordance with Paragraph A of this Appendix.

2. *OIG Removal of IRO.* In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and/or objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require SJHS to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring SJHS to engage a new IRO, OIG shall notify SJHS of its intent to do so and provide a written explanation of why OIG believes such a step is necessary.

To resolve any concerns raised by OIG, SJHS may request a meeting with OIG to discuss any aspect of the IRO's qualifications, independence or performance of its responsibilities and to present additional information regarding these matters. SJHS shall provide any additional information as may be requested by OIG under this Paragraph in an expedited manner. OIG will attempt in good faith to resolve any differences regarding the IRO with SJHS prior to requiring SJHS to terminate the IRO. However, the final determination as to whether or not to require SJHS to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B
INPATIENT MEDICAL NECESSITY AND APPROPRIATENESS REVIEW

A. Claims Review.

1. *Definitions.* For the purposes of the Inpatient Medical Necessity And Appropriateness Review, the following definitions shall be used:

a. Overpayment: The amount of money SJHS has received in excess of the amount due and payable under any Federal health care program requirements.

b. Item: Any discrete unit that can be sampled (e.g., code, line item, beneficiary, patient encounter, etc.).

c. Inpatient Admission Paid Claim: A code or line item submitted by SJHS and for which SJHS has received reimbursement from the Medicare program, limited to the following categories of claims/patients:

(i) "Zero-day" inpatient admissions (i.e., claims bearing the same calendar date for both the admission and discharge date), but excluding Dialysis Stays (Zero-Day Stays);

(ii) "One-day" inpatient admissions (i.e., claims bearing an admission date followed by a discharge date one day later), but excluding Dialysis Stays (One-Day Stays);

(iii) "Two- and Three-day" inpatient admissions where the Medicare payment exceeded the billed charges (Two- and Three-Day Stays);

(iv) "Zero-day" and "One-day" inpatient admissions during which the patient received dialysis services (Dialysis Stays);

(v) inpatient admissions spanning three days, followed by transfer to a skilled nursing facility (Three-Day SNF Stays); and

(vi) inpatient admissions associated with the surgical use of investigational devices that are not approved by the FDA or not approved by Medicare for general use (i.e., no reimbursement for use of such devices outside of an approved study) (Investigational Device Stays).

d. Population: For the first Reporting Period, the Population shall be defined as all Items for which a code or line item has been submitted by or on behalf of SJHS and for which SJHS has received reimbursement from Medicare (i.e.,

Inpatient Admission Paid Claim) during the 12-month period covered by the first Inpatient Medical Necessity And Appropriateness Review.

For the remaining Reporting Periods, the Population shall be defined as all Items for which SJHS has received reimbursement from Medicare (i.e., Inpatient Admission Paid Claim) during the 12-month period covered by the Inpatient Medical Necessity And Appropriateness Review.

To be included in the Population, an Item must have resulted in at least one Inpatient Admission Paid Claim.

The Population for Discovery Sample 1 shall be limited to One-Day Stays. The Population for Discovery Sample 2 shall be comprised of Inpatient Admission Paid Claims from the Zero-Day Stays, the Two- and Three-Day Stays, the Dialysis Stays, the Three-Day SNF Stays, and the Investigational Device Stays.

e. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the sample.

f. Admit to Case Management/Utilization Review Protocol: The case management/ utilization protocol used by SJHS in determining whether Medicare patients are treated at SJHA on an inpatient or outpatient (observation) basis.

2. *Other Requirements.*

a. Inpatient Admission Paid Claims without Supporting Documentation. For the purpose of appraising Items included in the Inpatient Medical Necessity And Appropriateness Review, any Inpatient Admission Paid Claim for which SJHS cannot produce documentation sufficient to support the Inpatient Admission Paid Claim shall be considered an error and the total reimbursement received by SJHS for such Inpatient Admission Paid Claim shall be deemed an Overpayment. Replacement sampling for

Inpatient Admission Paid Claims with missing documentation is not permitted.

b. Replacement Sampling. Considering the Population shall consist only of Inpatient Admission Paid Claims and that Items with missing documentation cannot be replaced, there is no need to utilize alternate or replacement sampling units.

c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Inpatient Admission Paid Claims associated with the Items selected in each first sample (or first sample for each strata, if applicable) shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

B. Inpatient Medical Necessity And Appropriateness Review Report. The following information shall be included in the Inpatient Medical Necessity And Appropriateness Review Report for each Discovery Sample and Full Sample (if applicable).

1. *Inpatient Medical Necessity And Appropriateness Review Methodology.*

b. Quantitative Results.

- i. Total number and percentage of instances in which the IRO determined that the Inpatient Admission Paid Claims submitted by SJHS (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.
- ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to SJHS.
- iii. Total dollar amount of all Overpayments in the sample.
- iv. Total dollar amount of paid Items included in the sample and the net Overpayment associated with the sample.
- v. Error Rate in the sample.
- vi. A spreadsheet of the Inpatient Medical Necessity And Appropriateness Review results that includes the following information for each Inpatient Admission Paid Claim appraised: beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount. (See Attachment 1 to this Appendix.)

4. *Systems Review.* Observations, findings, and recommendations on possible improvements to the system(s) and process(es) that generated the Overpayment(s).

5. *Credentials.* The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Inpatient Medical Necessity And Appropriateness Review; and (2) performed the Inpatient Medical Necessity And Appropriateness Review.
