

Status of the Electronic Records Archives (ERA) to the Bimonthly Records Discussion Group (BRIDG)

Hung Nguyen, ERA Program Management Office

Jun 10, 2009 – Archives I, Washington, DC

- **What's happened since the ERA brief to BRIDG last August?**
- **A big thank you to the four ERA Pilot Agencies:** Bureau of Labor Statistics (BLS), US Patent and Trademark Office (USPTO), Naval Oceanographic Office (NAVO), and National Nuclear Security Administration (NNSA)
- **ERA Increment 1:** Using ERA to conduct NARA business with Federal Agencies (Scheduling Records using the e115, Transfer Requests, Legal Transfer Instruments)
- **ERA Increment 2:** The Search and Access System for Presidential records
- **ERA Increment 3:**
 - Planning phase right now; focus is on preservation framework for the ERA system
 - Working with NARA to identify the next ERA Pilot Group
 - ERA PMO is responsible for technical and operational readiness
 - NARA NWML is responsible for business readiness
