Dear Mr. Chairman,

With reference to your letters of October 29, 2001, which I received on November 5, I regret to say that, because of other commitments in Berlin, I will not be able to take part in the hearing held by the Committee on Government Reform on November 8, 2001 in Washington D.C.

Furthermore, the German Foundation "Remembrance, Responsibility and Future" does not consider it appropriate nor is it in accordance with international practice to provide information on current proposals in the ongoing negotiations between the Foundation and the ICHEIC which are confidential.

Sincerely

Dr. Bräutigam
