## HEARING PURPOSE:

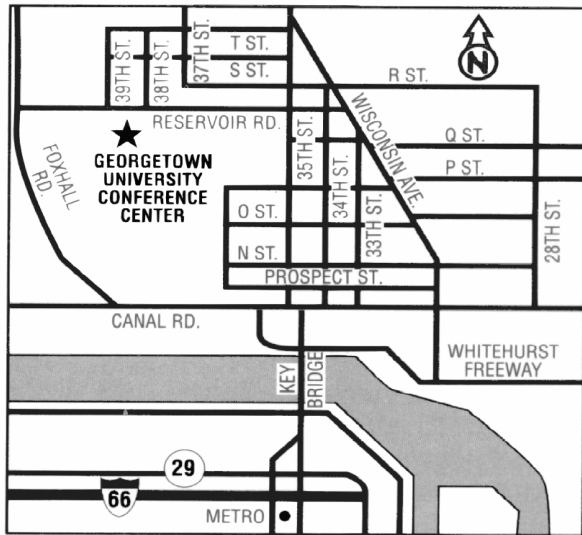

- *To review the conditions and causes of truck/bus related crashes and evaluate the effectiveness of Federal, State and industry oversight of truck and bus safety.*
- *To answer the following questions:*
  - *What are the characteristics of truck/bus accidents?*
  - *What is the nature of the truck/bus industry today?*
  - *What is the current oversight of truck/bus operations, including descriptions of the oversight performed by the carriers, the States, and the Federal government? How effective are these programs? (Do the programs address accident causation?)*
  - *What should the oversight be?*

---
