

ORNL Neutron Scattering School
September 28 - October 2, 2008
Oak Ridge National Laboratory
Oak Ridge, Tennessee

Your access to the Oak Ridge National Laboratory (ORNL) beginning Sunday, September 28, 2008, for the second week of the national Neutron X-ray Scattering School has been approved.

Please be certain to bring photo identification with you for access to ORNL. Foreign nationals will need their visa (or LPR card), passport, and I-20 form.

You must complete the following web-based training prior to your arrival. At the log-in for each training site, enter the "employee number" <sent to you via e-mail> in order to complete the training:

- [ORNL Site Access Training](#)
- [SNS Target Facility Access Training](#)
- [General User Access Training for Neutron Scattering Users](#)
- [Radiological Worker Training for HFIR and SNS Users](#)

In addition to the web-based training, you are scheduled to complete an on-site classroom radiological worker practical factors evaluation (PFE). The PFE class will be conducted Sunday, September 28, soon after your arrival at ORNL.

We are looking forward to your arrival at ORNL. If you have questions or experience difficulty with the on-line training, contact us at neutronusers@ornl.gov or call 865-576-1865.
