ADMINISTRATIVE PROCEDURES

I. REGISTRATION FOR THE ELECTRONIC FILING SYSTEM ("System")

A. Passwords. Each attorney admitted to practice in this Court and each trustee shall be entitled to one or more System passwords to permit the attorney or trustee to participate in the electronic filing of pleadings and other documents in accordance with the System. Other filers may be issued limited use passwords that permit the electronic filing of only certain types of documents.

B. Registration.

1. A registration form, in a form prescribed by the clerk, shall be submitted for each attorney or trustee and for each password.

2. Registration forms shall be mailed or delivered to the Office of the Clerk, United States Bankruptcy Court, District of Arizona, 230 North First Avenue, Suite 101, Phoenix, Arizona, 85003, Attn: Data Quality Administrator. Registration forms may also be faxed to the court at 602-682-4901.

3. Users may find it desirable to change their Court assigned passwords periodically and this can be done by the user in the system. In the event that a user believes that the security of an existing password has been compromised and that a threat to the System exists, the user shall give immediate notice by telephonic means to the Clerk of Court, Chief Deputy Clerk or Systems Department Manager and confirm by facsimile in order to prevent access to the System by use of that password.

4. The following non-attorney persons may be issued a limited use password for the electronic filing of the documents stated after submitting the registration form required by the clerk.

- a. Creditor, employee or agent of creditor for filing of proofs of claim, assignments/transfers of claims, requests for notice and reaffirmation agreements.

The clerk is authorized to serve on those parties, who have consented to service by electronic means, the notice of entry of an order or judgment by service of the A Notice of Electronic Filing generated on the entry of the order or judgment.
