

**UNITED STATES BANKRUPTCY COURT
DISTRICT OF ARIZONA**

**CHANGE IN ECF PROCEDURES FOR FILING VARIOUS TYPES OF
NOTICES OF HEARING**

EFFECTIVE WITH FILINGS MADE ON OR AFTER JANUARY 14, 2008

Effective with filings made on or after January 14, 2008, when filing any type of Notice of Hearing that gives notice of a hearing before the bankruptcy judge, the Notice of Hearing is to be filed using one of the following specific entries. The generic Notice of Hearing entry is to be used only if the hearing being noticed is not one of the specific types listed. All Notice of Hearing filing entries are now grouped together in their own Notice of Hearing category under Bankruptcy Events and under Adversary Events. The notice of hearing entries previously located in the Notices category have been removed from that category.

When filing any type of Notice that gives notice of a hearing before the bankruptcy judge, the entries to use for filing the notice are located in the Notice of Hearing category. If the hearing is in the bankruptcy case, click on the Notice of Hearing option under Bankruptcy Events. If the hearing is in an adversary proceeding, click on the Notice of Hearing option under Adversary Events.

Bankruptcy Cases

The following Notice of Hearing types are located in the Bankruptcy Notice of Hearing category.

Chapter 13 Confirmation Hearing (Notice of)
Continued Hearing (Notice of)
Emergency/Expedited Hearing (Notice of)
Hearing (Notice of)
Hearing on Compromise (Notice of)
Hearing on Motion (Notice of)
Hearing on Objection (Notice of)
Hearing on Settlement (Notice of)
Hearing on Stipulation (Notice of)
Preliminary Hearing (Notice of)
Rescheduled Hearing (Notice of)
Status Hearing (Notice of)

If the notice you are filing is for one of the above specific types of hearings, then use that specific entry to file the notice of hearing. For example if the notice is for a hearing on a motion, use the Hearing on Motion (Notice of) entry to file the notice. If you have filed an objection that is set for hearing, for example, you filed an objection to a notice of abandonment or to another type of matter that was originally noticed with only a bar date, then when filing the notice of hearing on your objection, use the Hearing on Objection (Notice of) entry to file the notice. The generic Hearing (Notice of) entry should only be used to file a notice of a hearing when the matter to be heard does not match one of the above specific types of hearings.

Adversary Cases

The following Notice of Hearing types are located in the Adversary Notice of Hearing category.

Continued Hearing (Notice of)
Emergency/Expedited Hearing (Notice of)
Hearing (Notice of)
Hearing on Compromise (Notice of)
Hearing on Motion (Notice of)
Hearing on Objection (Notice of)
Hearing on Settlement (Notice of)
Hearing on Stipulation (Notice of)
Rescheduled Hearing (Notice of)
Status Hearing (Notice of)

Use one of the specific entries if that is the type of matter being set for hearing in your notice. If not, then use the generic Hearing (Notice of) entry.

If you are not sure whether to use one of the specific hearing type entries or not, please call the ECF help desk at 602-682-4900 for assistance.
