WHEN SHOULD YOU FILE A COMPLAINT?

If you are unable to resolve a health-related complaint directly with the person or company you are complaining against, **then** you should file a complaint with the Office of Attorney General, Health Care Section (HCS), by completing a complaint form and medical release authorization. If your complaint is against your insurance company, then you should refer to your contract to ensure that you have taken all the appropriate steps to file a complaint or grievance directly with the Plan. **Filing a complaint with the HCS does not preserve your appeal rights; therefore, you are encouraged to file an appeal with your insurance company while simultaneously filing a complaint with the HCS.**

The completed forms and any supporting documentation should be mailed to the address below or you may file your complaint online at www.attorneygeneral.gov/complaints.aspx?id=458.
