Pacific Summit Energy LLC; Notice of Issuance of Order

June 27, 2005.

Pacific Summit Energy LLC (Pacific) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed rate schedule provides for the sales of capacity, energy, and ancillary services at market-based rates. Pacific also requested waiver of various Commission regulations. In particular, Pacific requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Pacific.

On June 24, 2005, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—South, granted the request for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Pacific should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in

Notice is hereby given that the deadline for filing motions to intervene or protest is July 27, 2005.

Absent a request to be heard in opposition by the deadline above, Pacific is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Pacific, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Pacific issuances of securities or assumptions of liability.
