Dear Secretary LaHood:

Attached is Revision 1 of Ohio's 1511 Certification letter dated March 31, 2009 from Ohio Governor Ted Strickland to Department of Transportation Secretary Raymond H. LaHood. The following information has changed on the list of infrastructure investments:

- Project ID 81334 was removed. It will be replaced at a later time by PID 86436 which is not yet on the TIP of the local MPO (Northeast Ohio Areawide Coordinating Agency - NOACA)
- 3 urban transit projects were removed because they were incorrectly categorized as *urban* and were actually redundant to three *rural* projects which have already been programmed under separate project ID's. Therefore, the following project ID's are obsolete:
 - 86414
 - 86415
 - 86416

Should you have questions regarding these changes please contact me or feel free to contact Tim McDonald, the Ohio Department of Transportation TIGER Team Leader, either by phone at 614-728-9544 or by e-mail at Tim.McDonald@dot.state.oh.us.

Respectfully,

Jolene M. Molitoris

The Honorable Raymond H. LaHood
Secretary
United States Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

Dear Secretary LaHood:

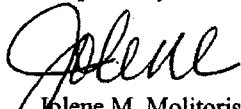

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 11-5 (Feb. 17, 2009)) (ARRA), I, Ted Strickland, Governor of the State of Ohio, hereby certify the attached infrastructure investments funded with amounts appropriated by ARRA under the headings:

- "Highway Infrastructure Investment" (to the Federal Highway Administration)
- "Transit Capital Assistance"
- "Fixed Guideway Infrastructure Investment"
- "Capital Investment Grants" (to the Federal Transit Administration)

The attached infrastructure investments have received the full review and vetting required by law and I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided on Ohio's Recovery Act website, www.recovery.ohio.gov, and listed on the Ohio Statewide Transportation Improvement Program (STIP) which is available to the public at <http://www.dot.state.oh.us/Divisions/Planning/ProgramMgt/STIP/Pages/default.aspx> and linked to Recovery.gov.

As we continue to amend the STIP to include projects funded using ARRA funds, we will submit additional section 1511 certifications. This certification includes projects in the rural (non-MPO) areas of the state and projects within the Akron Area Metropolitan Transportation Study (AMATS, Akron, Ohio), Bel-O-Mar Regional Council and Interstate Planning Commission (Bel-O-Mar, Wheeling, WV), Brooke-Hancock-Jefferson Metropolitan Planning Commission (BHJ, Steubenville, Ohio), Clark County-Springfield Transportation Coordinating Committee (CCSTCC, Springfield, Ohio), Eastgate Regional Council of Governments (Eastgate, Youngstown, Ohio), Erie Regional Planning Commission (ERPC, Sandusky, Ohio), KYOVA Interstate Planning Commission (KYOVA, Huntington, WV), Licking County Area Transportation Study (LCATS, Newark, Ohio), Lima-Allen County Regional Planning Commission (LACRPC, Lima, Ohio), Miami Valley Regional Planning Commission (MVRPC, Dayton, Ohio), Mid-Ohio Regional Planning Commission (MORPC, Columbus, Ohio), Northeast Ohio Areawide Coordinating Agency (NOACA, Cleveland, Ohio), Ohio-Kentucky-Indiana Regional Council of Governments (OKI, Cincinnati, Ohio), Stark County Area Transportation Study (SCATS, Canton, Ohio), Toledo Metropolitan Area Council of Governments (TMACOG, Toledo, Ohio), and areas. I understand that my state or local agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Respectfully,
