Re: Section 1511 Certification, Tompkins County, New York

Dear Secretary LaHood:

Pursuant to Title XV, Subtitle A, § 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (February 15, 2009)) (ARRA), I, Michael Koplinka-Loehr, Chair of the Tompkins County Legislature, hereby certify that the infrastructure Investments funded by ARRA and attached hereto, appropriated under ARRA as Transit Capital Assistance Infrastructure Investments through the Federal Transit Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate use of taxpayer dollars.

I further certify that the specific information required by ARRA § 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is attached and provided on the New York Statewide Transportation Improvement Program (STIP). Project lists are available for public viewing on the Ithaca-Tompkins County Transportation Council (ITCTC) web site (www.tompkins-co.org:80/itctc/) and the Tompkins County website (www.tompkins-co.org) which has a link to www.recovery.gov.

I understand Tompkins County may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Very truly yours,

Michael Koplinka-Loehr, Chair
Tompkins County Legislature
