Small Working Group Tasks:

- Monitor, track and report on specific ARRA areas to the larger working group
- Identify opportunities and collaborations to maximize funding
- Identify stakeholders, bring them into the process
- Identify ways to inform Iowans about the use of ARRA funding in Iowa
- Identify ways to pursue competitive ARRA funds
 - Inter-agency collaborations, public/private collaborations
- Identify ARRA programs that do NOT have a direct state relationship, identify ways in which the state can provide assistance to
- Develop a plan for implementation in each ARRA category
- Identify ways to track jobs, saved or gained
- Identify ways to leverage ARRA funds with I-Jobs
- Fraud prevention and necessary oversight
- Provide recommendations to the Governor and Lt. Governor
