

Department of the Interior Recovery Investments *Investing in America's Economic Recovery*

BLM Salem District Office Windows and Skylight Renovation Project – #43

Need: This project will replace the 29 year old building's windows and skylights with newer technology that increases energy efficiency. The existing windows and skylights leak and have cracks that need replacing.

Recovery Act Funding:

Work will begin immediately after the contract has been awarded.

Benefits: These newer technology windows and skylights will complement the other energy efficient retrofits of the building and further reduce consumption of natural gas and electricity.
