

## Annual Renewal of a FHA Lender's Approval

### Summary of Renewal Requirements:

FHA approved lenders renew their approval each year using FHA Connection account with a copy to FHA (address provided below). All lenders, except government mortgagees must also pay annual renewal fee online. Both of these items are due within 30 days of the lender's fiscal year end. In addition, all nonsupervised lenders (typically mortgage lenders and mortgage brokers) must also submit their audited financial statements within 90 days after their fiscal year end via Lender Assessment SubSystem (LASS), which is accessed via the lender's FHA Connection account.

Title II lenders should review Chapter 4 of the Title II Mortgage Approval Handbook 4060.1, Rev-2 at: <http://www.hud.gov/offices/adm/hudclips/handbooks/hsg/4060.1/> for details on when and what they must do to renew their approval.

Title I lenders should review the same Chapter 4 cited above as well as Title I Letters TI-478 and TI-03-1 at <http://www.hud.gov/offices/adm/hudclips/letters/title1/>.

### FHA Connection:

If your company does not have access to the FHA Connection, please go to <https://entp.hud.gov/clas/reginfo.cfm> for instructions on how to register.

If your company already has an FHA Connection account, a user must be granted access to "Lender Approval" in the FHA Connection in order to download the V-Form and/or pay the fee. This access is granted by the FHA Connection Application Coordinator in your company, not by HUD. On the FHA Connection, the Application Coordinator clicks on "ID Maintenance", enters their users ID and password, clicks on "FHA ID Administration" link, enters the ID of the user to be granted access in the "By ID" field, scrolls down to "Authorization for Lender Approval Applications", checks "Update Institution" and clicks "Send". If this change is made and the user still does not have access, please contact the FHA Connection Help Desk at [SFADMIN@hud.gov](mailto:SFADMIN@hud.gov).

If you have an FHA Connection Account but need to add a FHA Connection Application Coordinator, please submit a new registration request at <https://entp.hud.gov/idapp/html/register.cfm?Coordinator=Y>. Each lender can have up to two application coordinators.

### V-Form:

Instructions on how to download and print the V-Form are at: [https://entp.hud.gov/pdf/mp\\_lndapp.pdf](https://entp.hud.gov/pdf/mp_lndapp.pdf) Please review the information on the V-Form and update such things as addresses before printing the V-Form. The submission of a

signed paper copy of the V-Form is still required as part of the recertification process.
