**SUPPLEMENTARY INFORMATION:** This investigation was instituted on January 9, 2006, based on a complaint filed by Biax Corporation of Boulder, Colorado. The complaint and notice of investigation, as currently amended, name five respondents: Philips Electronics North America

On April 16, 2007, the ALJ issued an ID (Order No. 21) extending the target date for completion of this investigation to September 29, 2007, and extending the deadline for issuance of his final initial determination on the question of alleged violation of section 337 to May 29, 2007. The Commission has determined not to review this ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).
