

Integrated Disease Surveillance Program
CDC/APHL Assessment

Name of Laboratory/Health Facility	City	District/Province	Director of Laboratory Services

Persons Met:

Name	Title	Organization	Location

Table 1. Laboratory Training Needs

	Target	Training Priorities	Recommended Training Venue	Recommended Partner
Quality Assurance	Quality Assurance Officer	QA system theory, development and administration	APHL member laboratory/on-site QA training at NIB for pilot states	NIB/CDC/APHL
	Laboratory Director	Implementation	In-country workshops	NIB/CDC/APHL
Rapid HIV Testing	All Laboratory Technicians	QA/QC, procedure, interpretation	In-country workshops	ICMR/CDC
HIV Antibody				
CD4				
Viral Load				
Sexually Transmitted Diseases (other than HIV)				
Tuberculosis				
Opportunistic Infections				

Table 2.

TEST MENUS (Tamil Nadu)

	Facility Name (Test Performed and Annual Volume)	Facility Name	Facility Name	Facility Name
Bacteriology				
Gram Stain				
Urine Stain				
Stool Culture				
Drug Sensitivities				
Biochemical I.D.'s				
Mycobacteriology				
AFB Smears				
STI				
HIV Serology				
HIV Rapid Test				
Syphilis (RPR)				
Gonorrhea				
Chlamydia				
Chancroid				
Pap Smears				
Hepatitis B				
Hepatitis C				
Hematology				
CBC				
Differential				
Parasitology				
Malaria Smears				
Stool Parasites				

Table 3.

Laboratory Infrastructure Observations
(For Current Level and Scope of Testing)

	Facility Name	Facility Name	Facility Name	Facility Name
Adequate Infrastructure				
Utilities				
Space				
Number of Staff				
Reagents/Supplies				
Instrumentation				
Safety				
Organization				
Instrument Maintenance				
Storage Facilities				

Laboratory Location:

Staffing and Personnel:

	Number of Positions Employed	Education	Years	Training
Director				
Lab Technologists				
Microbiologists				
Chemists				
Medical Technologists				
Clerical Staff				
Support Staff (glassware/media preparation)				

Does your laboratory have:

	YES	NO
Standard Operating Procedures?		
Manual of Methods?		
Quality Assurance Plans?		
Safety Guidelines?		
Safety Equipment?		
Infectious Waste Disposal Guidelines?		
Specimen Rejection Policy Plan?
