**SUPPLEMENTARY INFORMATION:** The Commission instituted Inv. The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. §1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain liquid crystal display devices and products containing the same by reason of infringement of certain claims of U.S. Patent Nos. 7,193,666; 6,771,344; 7,295,196; and 6,937,311. The notice of investigation named Sharp Corporation of Japan; Sharp Electronics

Corporation of Mahwah, New Jersey; and Sharp Electronics Manufacturing Company of America, Inc. of San Diego, California (collectively “Sharp”) as respondents.

On September 23, 2008, the ALJ issued the subject ID granting Samsung’s motion that it has satisfied the economic prong of the domestic industry requirement. On September 30, 2008, Sharp petitioned for review of the ID. The IA filed a response to Sharp’s petition for review on October 6, 2008, and Samsung filed a response on October 7, 2008.

The Commission has determined not to review the ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
