Bon Secours Richmond Health System

July 2, 2009

10:00 A.M. – Noon

FPB Auditorium

Session Overview:

- There has been a pronounced increase in the US of the number of chronologically-gifted workers.
- Some experts believe this increase represents an emerging trend in workforce demographics in the 21st century.
- A panel will discuss the rise of aging workers in the workforce and examine ways to protect them.

RSVP with Russell Jones (jones.russell@dol.gov; (202) 693-2532) or Charlene Crawford (crawford.charlene@dol.gov; (202) 693-2165).
